11<sup>th</sup> February 2020

Kia ora e te whanau,  
 We welcome our new Office Administrator Whaea Anya Atkins who takes over the reins from Whaea Huihana this week. Whaea Huihana has started her first teaching section in Room 7 working along-side Whaea Hera. We all wish you the best in your new respective roles.

Health & Safety: Each Term our kura will practice drills to ensure we are safe in the event of an emergency. We will continue to discuss and practice Lock Downs (in case an intruder or a dangerous situation occurs and all tamariki will need to remain inside for a period of time). We will practice Fire Drills to ensure all tamariki know what to do and where to meet as they go through the drill. We will discuss Earthquake procedures so tamariki know what to do should this occur at School or at home. The recent highlight in the news of the Novel Coronavirus is really starting to escalate as worldwide there are now over 37,000 people identified with the virus. There are still no cases officially reported in New Zealand. As a community, we need to be very aware of what this could mean if we were to be exposed to this virus. We have been recommended to follow the guidelines set out by Health Board. Congratulations to our new House Leaders for 2020. They were selected by their house groups to lead the way forward. It was great to hear some of the reasons why these leaders want to be responsible for these important roles. To inspire; To motivate; To leave a legacy. It will be a fantastic year with these sorts of statements from our Tuakana.
