PĀNUI
 Te Wahanga tua tahi mo te wiki tua toru
 Tokohia ngā tamariki: 67

4th August 2020
 Kia ora e te whanau,

Thank you to those whanau who have contacted us here at the kura to briefly discuss your child's mid-year report. The comments generally reflect the effects of the pandemic and the measures we all took as a community to work our way through learning at that time. It is hard to believe we are still working under Level 1. We can still be left in a vulnerable position if we become too complacent and our awareness drops. Our thoughts go out to those in Victoria Australia who are going through some major issues and lockdowns which has affected not only families but livelihoods.

The camp info will be highlighted in a special panui in more detail that will be sent to you soon. We hope you are available to support this trip and we know your tamariki will enjoy the experience. I am looking forward to the hike up Kakepuku maunga. I hope the weather is fine and not too cold so we can all enjoy the learning experiences.

Kapa Haka Practices are gearing up and progressing well. Thank you for committing to the pick ups after practice sessions so your tamariki get home safely.

Special Needs: Some students require extra support with their learning. We have a range of Service Agencies who help and assist where they can on a regular basis:

RTL B: Resourcing Teachers Learning & Behavior

RT Lit - Resource Teacher - Literacy

SWIS - Social Workers in School

We are grateful to have these committed specialists working with our tamariki

THANK YOU

***To our tamariki and community from our Caretaker Matua Fredrick:**

Fredrick would like to say a big 'thank you' to all of you who have been helping to keep the kura a lot cleaner by putting rubbish in the bins and generally making sure the place is well looked after. "A Monday morning can be a little busy because the bins are all full - which is great" say's Fredrick. "At least I don't have to pick up much rubbish of the ground. Many thanks for making my job so much more enjoyable"
