(letter #8)

Kia ora e te whanau,

Thank you for your support during the last few months, as together we united against the challenges of Covid-19. We are now in week 2 of Term 2 and we are adjusting to our different way of doing things.

Alert Level 2 has brought a lot more relief for many whānau, as it was once again deemed safe by the Ministry of Health and the Ministry of Education for tamariki and young people to physically attend school.

Getting back to a normal routine is important for the health and wellbeing of your tamariki and being around their peers and teachers will help them feel in control and reassured. We are looking forward to welcoming the remaining tamariki back to school and making it a positive experience for them and for you our whanau.

Regularly attending school or engaged in the online learning program run by our kaiako really matters when it comes to your child's learning and their future. We are here to help and will be happy to talk about any challenges you have in ensuring your tamariki are back at school or online consistently.

As you know, if students are under 16 they are legally required to attend school every day. This includes being engaged with daily online learning.

Unless your tamariki are unwell, they should be fully involved with their learning. There are some whanau in special circumstances due to health reasons of their tamariki that will continue to learn from home. We will continue to communicate with you and thank you for your commitment.

Please let us know how we can support you. We now have most students involved in their learning regularly which is good but we want every child involved to make this great. We look forward to hearing from you and thank you for committing to having your tamariki learning at school or online.

Ngā manaakitanga ki a koutou katoa

Kevin Ikin  
Principal / Tumuaki
