COVID LEVEL 1 Transition – Update (letter #1)

Kia ora e te whanau,

Thank you for your support in managing contact tracing here at the Kura. This means whenever you enter the Kura grounds, you sign the registrar or scan the coding app on the posters. We need to keep the records for 2 months in case of a breakout and it relates back to our area. For many of you picking up or dropping off tamariki, you have supported us by staying in the car.

The Gov't has now confirmed our area is now in Level 1. We all need to be proactive and positive in how we responsibly move through the changes in Covid Levels. While most of us are familiar with requirements at Alert Level 1 & 2, we will continue to emphasise the importance of:

- Good hand hygiene and cough and sneeze etiquette
- Staying away if sick
- Cleaning and disinfecting our high touch surfaces daily
- Displaying QR code posters at our entrances and encouraging all our community to download the NZ COVID Tracer App and use it if they come on-site
- Keeping a visitor register for anyone who cannot use the app and for all other visitors

The recent notices in the media over the past few weeks involving a number of schools have highlighted and reminded us all of how the procedures need to be working as a community. Please help us to help you and our whanau.

Our School Panui will give details of what is expected under Level 1. We will also have this put online on our School website.

Thank you for your continued support in all we are doing to keep our community safe.

Ngaa manaakitanga ki a koutou katoa
