PĀANUI
 Te Wahanga tua tahi mo te wiki tua waru
 Tokohia ngā tamariki: 66

22nd March 2022

Kia ora e te whanau,

We've just rolled out our first Monday munchies kai pack yesterday. We are hopeful of a few more of these for our tamariki and whaanau before the end of the term. We negotiated with the Ministry of Education to strategically use the funds we had allocated for the school lunch program and how we could best support our whaanau. We consulted a few of our whaanau to see what they would like in a pack. Things that would be useful, especially for those still isolating at home. We did not want those that attend kura to miss out so made sure there was enough for every whaanau that attends our kura to get a pack. We hope you are as wrapped as we are to be able to use this extra support.

It's been great to see a lot more students returning to kura. Some have returned from isolation, whilst others from feeling unwell. We may find ourselves with an ongoing issue of this for a little while longer. Thank you for communicating with the kura and letting us know that your tamariki are going to be away and the reason why.

You may have heard that the Gov't have confirmed from 2023, the Local History Curriculum will be expected to be taught in every school from yrs 1-10. We have included some points later in this paanui about this.

Continue to stay safe whaanau, get tested if you have cough or flu like symptoms. Continue to keep tamariki at home if they are unwell.

Heoi ano
 Kevin Ikin, Principal

Upcoming Events this Term

Special Duffy Assembly	Fri 8 th April
Last Day of Term One	Thurs 14 th April
Easter Friday - No School	Fri 15 th April
School starts again Term 2	Mon 2 nd May

Monday Munchies Kai packs:

Staff and tamariki putting together the kai packs for our whaanau yesterday. Many thanks for the positive feedback we have received. Next week there will be another pack but slightly different.

Manaia, Kiara, Aalieghyah & Amaia were part of the team putting the packs together

A hive of activity

Centennial Park School Values Ngā Uara

Wairua Hihiko - (Innovation) their creativity, imagination and flair for innovation

Panekiretanga - (Excellence) in all they apply themselves to

Mana Tangata - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual

Maniapototanga – versed in the whakapapa, waiata, karakia, histories of Maniapoto

Community Notices

Special Duffy Assembly: Friday April 8th

(Weather permitting if it is fine)

We will be hosting outdoors a special Duffy Assembly.

The outline of the program will look like this:

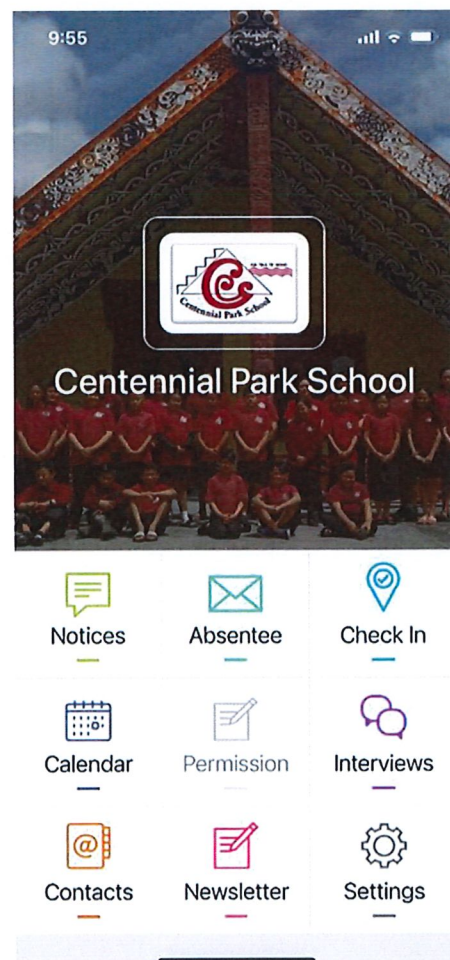

It is March 2020 in Aotearoa, which means lock-down. Duffy and Scruffy have gone off to their Auntie's farm because both their parents are essential workers and we are with

them each step of the way as they tackle online learning, hand sanitiser, and life on the farm. Duffy finds it really tough to stay with reading through this time and we see him go on an adventure that reminds him why he loves reading and why it's so important for him to be the reading superhero that we all know he is. The show is designed to be a light-hearted reflection on a pretty trying time for Duffy kids, with reading and books at the forefront.

This production first toured in 2021 and is now coming to our kura in 2022.

Classes will remain apart during the assembly so we can maintain space for safety.

School Based Immunisations

Dear Parents / Caregivers,

Public health nurses will be delivering two school-based immunisation programmes in your child's school this year

Year Seven Students

These students will be offered the Boostrix vaccine which is a booster for their early childhood immunisations of tetanus, diphtheria and pertussis (whooping cough). This is the same vaccination that would have been given to your child at 4 years age if you consented.

Information about the year seven programme will be given to students at school and this session may include watching the Ministry of Health Presentation on Year Seven Immunisations and is designed specifically for this age group.

At this information session, your child will be given a consent form to bring home for you to read and choose whether or not to have your child immunised by the Public Health Nurses at school. Whether you choose to immunise or not, the form needs to be returned to school.

Year Eight Students

From 1 January 2017, Males and Females aged 9 to 26 inclusive (ie under 27 years) are eligible for HPV (Human Papillomavirus) immunisation. The focus has historically been on cervical cancer prevention for women but increasing evidence has emerged of the impact of other HPV related cancers on men so both groups will now be offered this vaccine free of charge. This vaccine will be given in two doses 6 months apart.

Information will be given to the students about the HPV vaccination programme at school. This may include viewing the Ministry of Health presentation about the *HPV Vaccine Information* and is for the year 8 age group.

Your child will be given a consent form to bring home for you to choose whether or not to have your child immunised by the Public Health Nurses at school.

- Information on the immunisations is included on the consent form which will be given to your son / daughter at the information session.
- Please complete the consent form and answer all the questions and return the form to school.
- If your child is not being vaccinated at school you still need to fill in the section with your child's name and details on it.
- Please check with your doctor or practice nurse if you are unsure if your child has had a tetanus injection in the last two years.

For further information on these vaccines phone **0800 IMMUNE (466 863)**

We will NOT be offering any Covid 19 Vaccination at school

Public Health Nurse: Liz Brandon, Ph: 021 279 1836

Highest Needs Review

The Government is committed to ensuring all children and young people can access high-quality education and receive the support they need to succeed in education. It is important that education supports are designed so that the potential of all our children can be fully realised, which is at the heart of what whānau and kaiako strive for every day.

In October 2021, I announced a review of the services provided to learners with the highest learning needs. The Review's online portal is now live and will remain open until 31 March 2022.

The purpose of the review is to ensure that these children and young people, and their families, whānau and aiga, receive the right learning support they need, when they need it, and for as long as they need it. The education journey of children and young people, from early learning to leaving secondary school, falls within the scope of the Review.

Children and young people are our taonga, and it is essential we include their opinions and those of their families, whānau and aiga, as well as teachers, support staff, education leaders and school boards. We want as many people as possible to know about the Highest Needs Review so they can engage and share their opinions on how we can improve and change the services provided to children and young people, within scope of the review.

Having been an educator for 30 years, I know how difficult it can be to navigate the system. This is why I am really keen to hear from you as school leaders, teachers and support staff, and I strongly encourage you to have your say at conversation.education.govt.nz/conversations/highest-needs-review/.

Please also share this information, and how to be involved, with your staff and school community.

Nāku noa, nā

How to report your RAT result

There are two ways to report your rapid antigen test (RAT) result:

- 1 You can do it online at MyCovidRecord.nz**
 - set up a My Health Account if you don't already have one and you're over 12 - you will need your own email address and a valid form of ID
 - if you already have a My Health Account, log in
 - scroll to "Self-report a Rapid Antigen Test (RAT) result,"
 - click "Report test result" and follow the instructions
- 2 You can do it over the phone by calling 0800 222 478**
 - select option 3
 - call any time between 8am and 8pm, 7 days a week
 - use this to report RAT results for those under 12

You can find detailed step-by-step instructions about reporting your results online here:
Covid19.govt.nz/RATresults

Winter Sports Update

Mauri Ora e te whaanau o Te Kura Rautau

Here is a brief run-down of the sports this year and the Covid-19 measurements each code has implemented to give our tamariki the best they can in the current Covid-19 situation.

My Vaccine Pass:

All codes have adapted the MVP in order to have gatherings of up to 100.

All coaches, managers and club officials must be vaccinated.

All children over the age of 12 years and 2months of age must be vaccinated to participate.

ALL CHILDREN PLAYING IN A SCHOOL TEAM ARE GIVEN AN AUTOMATIC MVP - FOR SCHOOL TEAMS ONLY

NKCJFootball & *NKCJRugby* will have controlled areas (players, coaches, managers and supporters must be vaccinated in these areas) and uncontrolled areas which are up to the general public to maintain covid-19 requirements at all times at a 2m distance.

NKCJHockey will reduce bubble sharing by having games held at different venues rather than just the one venue.

Trust Power Maniapoto Netball Centre will collaborate with Netball NZ, WaiBOP and the NZ Government and will keep you updated as soon as information comes to their attention. Notice will be sent if this affects the winter competition.

Nga Mihi

Coaches for CP Teams

WE NEED COACHES AND MANAGERS FOR OUR TAMARIKI TEAMS

We are urgently looking for coaches and managers to accompany our tamariki within Winter Sports for 2022

You must have your Vaccinations and Boosters up to date and provide evidence.

Please fill in the permission slip below if you are interested in coaching or managing your tamaiti teams.

Name:	
Your Child's name:	
Sport:	
Days you can do trainings:	
Do you have an MVP?	
Signature	

Please whaanau we will need more volunteers than we have ever needed this year! Due to covid-19 and due to the unforeseen future we will be relying on your amazing whaanau support throughout the duration of the season,
