Kia ora e te whanau,

The weather did not dampen the spirits of our tamariki as they performed on stage in front of a large public audience during the Muster last Saturday. After watching some of the video coverage, it is a performance all whanau and staff can be very proud of. A 'Huge Paki Up' to the tutors but an even 'Bigger Paki Up' to the tamariki who made time available to step up on stage. We acknowledge those whanau that could not make it due to personal reasons.

Well, unfortunately a hard decision had to be made to postpone our planned school camp to Te Hape Paa. The weather forecast was for a lot colder and wet conditions. This would have made it extremely challenging to achieve the planned activities that were lined up for our tamariki. The safety and wellbeing of our tamariki for all trips are always at the forefront of our decisions. We are disappointed this was the decision after all the prep and things that have been done. We will be working hard on delivering a number of other options so our tamariki will be able to experience authentic learning activities. Many thanks for your understanding under these circumstances.

The winter sports codes will be starting at the beginning of next term. A 'Huge Paki Up' to our coaches taking the Netball, Soccer and Rugby teams on behalf of our tamariki at the kura. This is the last week of Term 1. We will have a final PB4L assembly on Friday to celebrate the successes of our tamariki throughout the term. Please stay safe, warm and dry over the next few weeks. See you all on the 3rd May for the start of Term 2.

 - Inspired by our Duffy Book Hero

- We are grateful of the many opportunities to allow our tamariki to experience some of these really cool things.

Our kura were successful in securing 'Free Tickets' to the big game this weekend in Hamilton.

Congratulations to all those students going from Te Kura Rautau.

We wish those 20 + students going to watch the Crusaders take on the Chiefs at Rugby Stadium in Hamilton this Saturday all the best. You will be part of the parade around the field before the big game. We look forward to hopefully seeing you on T.V. waving your supporters flags.

Keeping Ourselves Safe Online:

Netsafe is leading the development of Aotearoa's first Online Safety Code of Practice. The Code is designed for ICT organisations providing services to people in New Zealand. Netsafe's research shows one in five adults and twice as many young people received a digital communication that negatively impacted their life in 2020. To put that in a practical context, as 2021 has progressed, Netsafe is continuing to record a new "high" in terms of the highest ever number of reports related to harmful digital communication. Digital technology continues to be an important part of how the community connects, learns and lives.
