10th April 2024

Kia ora e te whanau,

Welcome to the last week of Term One. The change in weather, the change in daylight savings and now the change in term.

This week has seen students learning how to ride bikes safely. We are very lucky to have access to the large number of bikes through our Kahui Ako (cluster of our local schools). We booked the bikes for this week and the kaiako are making the most of the time they are here. We will have them back again later in the year. Maybe when we look at road safety in May, but this may be determined by the weather.

We welcome Whaea Jahnesta here to the kura who has been appointed as our temporary kitchen manager whilst Whaea Joanna is having her new baby. We all wish Whaea Joanna the very best during this time and wish to acknowledge that Whaea Jahnesta has made a seamless transition into her new role.

It is with sadness we farewell Whaea Amanda who has been with Room 2 for the past two terms. Whaea Amanda's main role was to assist and work with a particular student in the class to help support and teach along side the kaiako. We wish you well Whaea Amanda and thank you for your time with us and in particular your time with Room 2.

Term 2 will bring a very busy start, with the Interschool Cross Country happening followed by the Orienteering at Aria. There will be lots of winter sports codes starting as well. Whaea Misy has started organizing the winter code teams and their respective uniforms. If your child is not in a team and you wish them to get involved, contact us here at the kura.

Have a great holiday break with whaanau & friends.

Heoi ano

Kevin Ikin, Principal

Upcoming Events this Term

Last Day of Term One	Friday 12 th April
Anzac Day	Thurs 25 th April
School starts again	Mon 29 th April
Term 2	

Bikes in School -

This weeks fun opportunity

*Learning safety - Wearing helmets -
knowing how to use the brakes safely -
Having fun when we are safe*

Room 4 were first to try out the new bikes on Tuesday morning. Whaea Misy and Whaea Hera went through the safety parts and making sure everyone was wearing helmets.

What a massive smile here

Not sure who is having the most fun here? The students from Room 4 or Whaea Misy who is leading from the front, guiding and directing like the pied piper. A wonderful opportunity to have our students learning and having lots of fun. Something they will appreciate when out and about during the holiday's.
