Kia ora e te whanau,

The tamariki are making a positive start to the year. It is so rewarding to hear manners being regularly used and courtesy shown when necessary. Thank you for making a positive start to 2020.

It was great to hear some of the whanau talking about their visit to Kawhia last weekend for their annual Kai Festival. So many choices and so many options. Thank you for sharing some of those stories.

Our School swimming pool is being well utilized due to these hot summer days. We are very lucky to have our own pool so that tamariki can learn to swim with confidence. The new shaded area is proving a real benefit so kaiako can watch and monitor in safety and those with a medical note not swimming are in a safe and secure enclosure.

The local water hole at the river is used by our community throughout summer. Please make sure if your tamariki are going that they are properly supervised by a very competent adult swimmer. Water safety is important for everyone to know and sometimes the changes in water levels can change the roots and tree branches that swimmers cannot see.

A wee reminder that this Thursday is Waitangi Day so no School that day. We will be back on Friday so it will be a nice short week for us all.

On a sad note, our thoughts and sympathy go out to the Hēpi whanau with their sudden loss this morning. E te aroha nui atu ana ki a koutou i tēnei wā. Moe mai moe mai ra.

Heoi ano
