Tokohia ngā tamariki: 65

Kia ora e te whanau.

If the laughter was anything to go by then our tamariki were having too much fun, I think they forgot they were learning at the same time. Our akonga were working in 3 roopu and were totally engaged with learning Mau raakau. Some tamariki were in their element as a range of the tasks were competitive and challenging. This is a great opportunity to learn about a raakau discipline through a traditional context. A huge mihi to Matua Cory, Tainui and Waipono for taking our tamariki through the many elements and skills of raakau over the last couple of days. We were hoping to have tamariki learning these skills at Tkt Paa but due to tangihanga this was held at the kura. This Wednesday, the kura have planned to travel to Epworth (near Maungatautari) for Waka Ama. Hopefully the weather is fine. Notices were sent home so whanau could fill in any health or other concerns they have. This will be an exciting time for a lot of them as they would not have been in a waka before. We will be taking precautionary measures to ensure their safety on the water.

As you are already aware, we are now in Level 2 Covid 19 - again. An updated notice has been emailed to whanau as well as put onto our School website. Please continue to sign in or use the contact tracing app when visiting the kura and moving from location to location.

The team to represent our Kura at the Interschool Swimming Sports will be performing on the 19<sup>th</sup> March due to Covid Level 2 this week. Those students selected will have a notice sent home to inform whanau.

There are still many outstanding fees to be paid from last year. Your tamariki is at the receiving end if we start to bring in penalties for those that are still yet to pay so please be more vigilant this year when it comes to fees.

Please understand that across many codes (sports), fees are average between \$20 - \$30 per child. We are very, very fortunate and proud to be the only school that charges \$10.00 across all sports played.

### Sports

We soon have our winter sports starting so now is the time to have a korero with your tamaiti/tamariki and return the slip below to kura.
