PĀNUI

Te Wahanga tua tahi mo te wiki tua ono
Tokohia ngā tamariki: 68

3rd March 2020

Kia ora e te whanau, It's been a while but full credit and congratulations to our awesome tamariki during the Senior Swimming Sports held last week. The adults relay team were finally beaten by an awesome team of tuakana. It's taken many years to be victorious, but it was worth it. There was a close whanau connection in the final involving dads and their respective sons racing each other. There was no such thing as leaving early off the start blocks aye Colenzo... The juniors were awesome the following day. The cork count was one of many fun games that entertained our whanau.

We will have a team for the Inter-schools this Friday. It is our turn as a kura to prepare kai, such as sandwiches and tea for the officials at the Inter-schools. If you are available, please contact the School as soon as possible. Thanks

Our awesome kuia Whaea Hana and Whaea Helen will start Raranga with our tuakana this Thursday. After a few little hiccups, we are now on track to have our tamariki learning the Arts of traditional weaving. We will keep you updated and hopefully when the work is complete they will be able to showcase their achievement. They won't realize how lucky they are until they have finished.

We had a special visitor today. As mentioned in our panui a couple of weeks ago, Jess Macrae who is an uncle to Wiremu, Lawson and Stacey will be sharing his journey about living in the USA and being a Personal Trainer to people like Dean Barker (America's Cup Captain).

All whanau should have received a Panui about our camp to Kawhia. If you have not, please contact the School office or the kaiako of your tamariki.

BOT Korero: from our Board of Trustees

We have submitted draft copies of budget and Charter to Ministry pending final opportunity to have your say. SMALL BLACKS DEVELOPMENT MODEL

THE WAY TO PLAY

Rugby is a dynamic and exciting sport that is a whole lot of fun, and helps develop friendships that can last a lifetime. Small Blacks Rugby has been designed to help players develop their rugby skills as their physical ability develops, making the game as simple and safe as possible for all Kiwi kids, regardless of their age, shape or size. The Small Blacks Development Model has been developed to ensure that there is a consistency of play, coaching and player welfare at all levels throughout the country, and is a great way of getting kids involved in a team sport.

DIFFERENT AGES, DIFFERENT STAGES

This poster clearly explains the Small Blacks Development model for coaches, parents and Small Blacks players. It contains easy to follow guidelines on how the game is to be played at each age.
