6th July 2021

Kia ora e te whanau,

There have been some wonderful sunny afternoons but the mornings have been fairly cold to start with. Please make sure you move safely as the ice can often surprise you. At the moment it is really important to stay warm and dry as we lead into the holidays.

It was fantastic to see so many whanau in the kura for the interviews last week where your tamariki shared their learning journey. There was so much positive feedback and we want to keep that going. Please keep involved with what your tamariki are learning at kura.

We started the Term by letting whanau know we will be providing kai for lunch as part of the Healthy Lunch Program. Thank you for working with us. We know there is a large amount of savings to be made for you and it becomes one less job for you to organize every day. We follow a fairly strict process and criteria to ensure we meet the regulations to keep tamariki safe and well. We will be having a combination of warm meals during the next term so it will help to keep tamariki warm. We look forward to ending the Term with a celebration of Matariki and acknowledging a few people who have been at the kura guiding, helping out, supporting and just being there for our tamariki. We all really appreciate your involvement here at the kura.

Kura will start Monday 26th July. A reminder for next term, we will be having a staff only day on Friday 30th July. Have a great holiday break. Keep dry, warm and safe. See you this Thursday evening for our Matariki celebration. Heoi ano
 Kevin Ikin, Principal

Thank you whanau...

What for, you maybe thinking?

Over the past term we have had a number of things going on and we would like to acknowledge you for your valuable part:

- For coming into kura and supporting your tamariki during the student led conferencing
- For helping out where and when you can in and around the kura
- For being a positive support on the sports fields and courts during sport
- For making sure your tamariki know you have their back to support and encourage with their learning
- For filling in the 'Ka Pai' tickets to tell us of the awesome things your tamariki are doing at home

Special Art Lessons:

Our Year 3-4 students are working with the Waitomo Society of Arts team and learning how to use dye. They will be putting something together that links in with Matariki. We are very lucky to have a number of special groups working with our tamariki to teach them new and different skills and techniques. The final results will be completed by the end of the 2nd week in Term 3.

Maniapototanga – versed in the whakapapa, waiata, karakia, histories of Maniapoto

*We invite all our whanau to attend and
enjoy the evening arriving at 5:45pm*

Please let us know what we can keep improving on as we move forward as a kura.

Encouraging and acknowledging our tamariki for things they do at home

Kia ora whanau, we need your help to give out 'ka pai' tickets to your tamariki. This is a way of sending out positive messages and reminding your tamariki that our Uara (Values) work wherever you go. Please use the 'ka pai' tickets on the back of this panui and nominate your tamariki for something they have done that was awesome. Ask your child to bring in the 'ka pai' tickets to the office and place them in the container. We will draw out some of the lucky ones during our special PB4L assemblies.

Crossing the road after School: Please whanau, use the school crossing area if the road patrol team is on duty. Otherwise it is sending a confused message to our little ones that it is o.k. to cross the road anywhere. Many thanks for this support

Property Projects:

We have a few School projects lined up and are just about ready to go as part of our new 10-year property plan. It is however a matter of when supplies and contractors are available!

Some of the projects include:

Upgrade of Rooms 1 & 2; Includes new lighting; heating; carpet; wall lining.

New roof over Admin block

Repairs and upgrade of staffroom

B-Block: New carpet in Rooms 3 & 4; window tint for reduction of sunlight

The junior playground upgrade is being worked out on how to get the best outcome for the money we have allocated (from MOE) for this project.

We are upgrading our network security system this week. As one of the first schools in the region to have this done, what this means is better security and more reliability against cyber-attack. Our tamariki are using devices such as chrome-books a lot more regularly and it is important this is done as quickly as possible. Please make sure you have a secure system in place at your home. If you need some support with this, let us know.

'Ka Pai' Tickets for whanau:

Write out a 'ka pai' ticket for your child for something they have done that was awesome or really cool that you saw. It is up to you whanau. It could be they did any one of the following things or more.

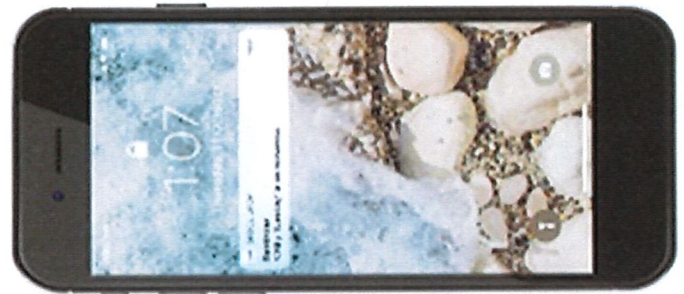

- For making their room tidy
- For helping with the jobs around the house
- For being kind to their brother or sister
- Helping someone that needed a hand
- Showing excellent manners
- For getting changed and putting away their clothes without being told
- Showing initiatives around the house
- On the sports field / court demonstrating our Uara (School Values)

Please list what they did so we can acknowledge this during our special PB4L Assemblies.

You can find the Ka Pai tickets on the last page

FREE Download Skool Loop app

Here's some tips to ensure you receive notices and push notifications

- When you download the Skool Loop App you will be asked if you would like notifications please **tap yes**. Some devices don't ask this question and automatically tick yes for you. This can be changed in your settings
- If your notifications are turned off in your device settings, some phones apply that to all apps when downloading. In the phone settings please make sure your notifications are turned on
- Check your App Store or Google Play regularly for any outstanding updates
- There are 2 different notices school will send out: **push notification** (banner and ding) or a **notice** (visual alert only)
- You will only receive a push notification if you are not using the app at the time
- If your volume is off you will not hear an alert
- You will see a visual alert if a **notice** has been posted. You will not hear a ding
- You will only hear a ding if the school sends a **push notification**.

LAST GAME OF SOCCER THIS WEEK

Be very proud of your tamariki for coming every week and putting in enormous effort after a hard day's schooling. They learnt new skills together, learnt to lose together, learnt to win together but most of all learnt how to be part of an awesome team that they created together.

This year's soccer season would not have been possible without our Whaea Mani - Thank you whaea for stepping off your court to the field. "You must have done something right with no losses".

To those that helped from behind the scenes to make sure our tamariki had fun every week please know your efforts do not go unnoticed - A huge mihi to you all!
