5<sup>th</sup> July 2022

Kia ora e te whanau,

The last week of Term 2 has arrived and with this comes the check in point for reporting on student achievement. Student Mid-Year reports will be sent out or delivered to you this week so whaanau have them to look over during the holidays. We would normally have student, whaanau and teacher conferencing to go through the details of reports during this time but there is a very high number of illnesses and covid cases still in our community. Please communicate directly with your child's Kaiako should you want to meet at the start of next term for these interviews. Some of you may choose to meet online and utilize the comforts of your homes or decide to visit the classroom to see what sort of work your child is producing to help them learn. This is your choice whaanau but it would be very helpful to have your input and get your feedback about your child's report results.

A quick reminder that this Friday is a staff only day - No kura for students. Also a reminder that Monday 25<sup>th</sup> July is a staff only day - no kura for students.

It is winter and with that comes all sorts of challenges. As we break for a couple of weeks to try and rest and recover, there will still be work going on and projects around the kura. Staff will be upskilling and updating their First Aid certification. There will be builders and plumbers working at the kura to install warm water into all the student toilet areas for washing hands.

Take care whaanau. See you all in Term 3.

**Professional Development**

*Learning some more new stuff... Hybrid Learning*

*This Friday, staff will be exploring a new online system for learning. Hybrid or Distance Learning with 'Seesaw'*

*(no not the playground seesaw...)*

*Currently our ākonga (learners) are using a platform called Padlet. To date this has worked well and is still a good way of recording student work.*

*The session on Friday will have staff exploring and experiencing Seesaw with the objective of taking what we know now to a new stage or level.*

*'Seesaw' offers a number of advantages or benefits that will help us add value to the learning program for online work.*

*We will be working with your child in Term 3.*

**The end of Term 2**

*We would like to celebrate and thank all our tamariki for the positive way they represented their kura, whaanau and community.*

*So what were some of the things our tamariki either did or were involved with in some way...*

- Cross Country & Interschools
- Orienteering - Interschools
- Manu Koorero – listening to positive role models from our secondary kura
- Online Learning from home
- Matariki – Celebrations
- Soccer – Friday sessions
- Netball – Thursday sessions
- Rugby – Saturday sessions

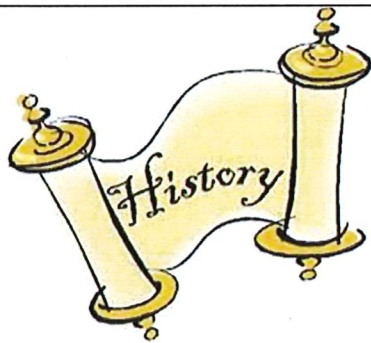

**Wairua Hihiko** - (Innovation) their creativity, imagination and flair for innovation

**Panekiretanga** - (Excellence) in all they apply themselves to

**Mana Tangata** - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual

**Maniapototanga** – versed in the whakapapa, waiata, karakia, histories of Maniapoto

**History: A moment in time**

**10<sup>th</sup> July 1985:** The Rainbow Warrior is sunk by French agents. A crew member died when French secret agents mined the Greenpeace vessel Rainbow Warrior in Waitemata Harbour, Auckland.

**12<sup>th</sup> July 1863:** British forces invade Waikato. British troops invaded Waikato by crossing the Mangatāwhiri Stream, which the Kīngitanga (Māori King movement) had declared an aukati (a line not to be crossed).

**21<sup>st</sup> July 1865:** Capture of Weraroa pā. Governor George Grey led a small force that captured a Pai Mārire (Hauhau) pā at Weraroa, near Waitōtara. The pā had long lost its strategic significance, and its small garrison had seemed willing to surrender.

**21<sup>st</sup> July 1925:** Te Haahi Rātana established as church. Founded in 1918 by Tahupōtiki Wiremu Rātana (1873–1939), the religious movement that bore his name gave hope to many dispossessed Māori and later became a political force.

**22<sup>nd</sup> July 1987:** Lotto goes on sale for the first time. Outlets opened to long queues, with a first division prize in the inaugural draw of \$360,000 (equivalent to more than \$760,000 today).

**Professional Development for staff at Te Kura Rautau:**

Staff will be upskilling and recertifying themselves with First Aid during the holidays. This will be the first-time staff will carry out modules online and then meet for the practical sessions to complete the course. We will basically have every staff member with a current First Aid Certificate which is reassuring for our tamariki, whaanau and community that they are recently trained. Thank you to all the staff for their commitment to the safety of our community.
