27th June 2023

Kia ora e te whanau,
 What a wonderful assembly on Monday as we acknowledged all the sports teams that reached finals and placings within their respective grades and codes (Soccer & Netball). We also heard the results of the Orienteering in Aria. Well done to Wiremu and Manaia who were in the top 10 placings for their respective event. There are many schools that are involved in this event including Kiokio and Otorohanga. To gain a placing is outstanding.

The sun came out and what a difference this seems to have made. Our attendance rate went up and there will hopefully a lot more consistency to end the week and term. Please continue to call us here at the kura if your child is going to be away and is feeling ill.

Our staff will be involved with a session on the Kiingitanga during the holiday's. Coordinated through Te Nehenehenui Trust, Doug Ruki will be facilitating a session for all teaching staff. This links in with our local histories and curriculum focus areas.

Our students to Tatsuno-Japan were part of a support roopu that today presented a report back to the Waitomo District Council about the trip. The report highlighted some of the wonderful experiences they had and what it means for them moving forward. There was special acknowledgement to our community and whaanau for the support given to our wonderful ambassadors. Already, it is creating interest for the next time a visit is arranged. Start planning and preparing early. They maybe visiting NZ in 2024.

Final Term 2 Assembly – Friday 1:45pm

We will have our final term 2 assembly on Friday. It will be used as a PB4L assembly to acknowledge all the great things that have happened over the term.

The assembly will also be a sad time as we farewell Matua Isaiah. He has been successful in attaining a job with Te Nehenehenui Trust in a liaison and cultural position. Matua Isaiah has been with the kura for a few years and during that time has established a wonderful working relationship with our staff and aakonga in the many tasks he was responsible for. We know he will be missed immensely by the kura and wish him all the best in his new job.

Feedback from last week's trip to Hamilton Zoo: It was not just about the animals...

Thank you to the team at Aotahi Ltd for an opportunity to learn about the many different jobs associated with the Hamilton Zoo. Our ākonga have returned full of optimism and hope that there are many new ideas to explore. These will be looked into in more detail over the course of the year

Congratulations – To all our Kohanga Reo

Te Kura Rautau had some of the junior students attend the Les Munro Centre last week to support Te Kuiti Kohanga Reo and to celebrate the 40th Year of the Kohanga Reo Movement. This is a very special occasion. It was great to hear that the occasion was well supported during the day

A time in history

25th June 1860: The 1st Maaori King passes away: The Māori King movement came into existence in the late 1850s as an attempt to unite the tribes, prevent land sales and make laws for Māori. Pōtatau Te Wherowhero became the first Māori King in 1858, but died two years later.

26th June 1987: AJ Hackett bungy jumps from the Eiffel Tower in Paris France: The speed skier and bungy pioneer planned the 110-m leap meticulously. His dozen-strong team hid on the tower overnight and Hackett jumped at dawn. He described it as 'one small step for a man, a bloody great leap for the adventure tourism industry.'

27th June 1936: Maui Pomare Memorial unveiled: Māori and Pākehā from around the country converged on Manukorihi Pā in Waitara, Taranaki, to attend the unveiling of a memorial to 'one of New Zealand's greatest men', Sir Māui Pōmare.

27th June 1975: Mark Williams hit's #1: 'Yesterday was just the beginning of my life' topped the New Zealand music charts for three weeks. Williams successfully combined soul and pop with an image that merged glam rock with disco.

28th June 1881: NZ's 1st registered female pharmacist: Elizabeth Robinson of Christchurch was the first woman to register as a pharmacist under a registration system established by the Pharmacy Act 1880.

28th June 1973: HMNZS Otago sails for Mururoa test zone: Prime Minister Norman Kirk told the 242 crew of HMNZS Otago that their Mururoa mission was an 'honourable' one – they were to be a 'silent accusing witness with the power to bring alive the conscience of the world'.

~~~~~

We invite prospective parents and students and encourage current parents to attend for an information packed morning. Come and be a part of our vision and see what we have on offer for years 7 to 13.

## Sport News

What awesome results we had coming out of the Maniapoto Netball Junior Prizegiving which was held last Friday.

A new initiative from Maniapoto this Year was after each game the Coaches pick a Player of the Day and the Umpires got to Pick x3 Players of the day after each game - at the end of the season those votes are counted and award to the child that was picked the most throughout the season. Well done to Tamai, League and Te Maunu who go home with a personal award for their efforts. Ngaa mihi nunui e te whaanau to those that made the night to represent our Kura!! Here are the results !!! ## InterSchool Orienteering

This year in Aria was a beautiful year for Inter School Orienteering! The sun was shining bright and warm while the tamariki did the mahi.

Congratulations to all our new runners this year - every single one of our runners came back without any defaults!

Mauri Ora to our tuakana whose experience is now evident as we see you all radiant with confidence out there in the paddocks.
