Kia ora e te whanau,
 Our healthy lunches program has started.
 Based on the feedback from our tamariki so far, it seems to be working out well.

Well done to all of our students that attended the Interschools Cross Country at Rangitoto last Friday. Some happy faces and positive feedback from all who attended. Congratulations to all the runners for demonstrating our kura values. Coming up soon, we are hopeful of having a wonderful session for our whanau and kaumatua. Our tamariki will be managing the program of preparing kai and presenting to our guests. There is a lot of learning and team work involved with this. We are thankful to be using Te Kuiti Paa so we can host and cater for everyone. A panui will be sent out soon to inform whanau.

We will be continuing with the Haukainga program with Whaea Frances and Matua Moera here at the kura. On Wednesday's a session with each class will build on the previous session around Taio. We are grateful and thankful we are able to work together in a learning partnership with our whanau.

Professional Development for our Staff:

Our Kaiako, kaiawhina and support staff attended a special afternoon session with Matua (Dr) Tom Roa (Associate Professor of Waikato University) Kaumatua and cultural advisor. The session last night covered two main areas. A view of the Kawenata: a perception of an impact on Ngaati Maniapoto today and therefore our schools and the 2nd part was on: A view of principles from a kaumatua member of the Waitangi Tribunal and what might be important for students to know. Certainly an interesting koorero and we are grateful to be able to hear from a person of authority in these areas.
