31st May 2022

Kia ora e te whanau,

What a lovely fine day for the Rangitoto Interschools last Friday. Many thanks for the many whaanau who were able to attend and support their tamariki perform. We have attached a few photo's in this paanui and results from the kura and interschool event.

We are part way through our ERO review. ERO is the Education Review Office that work with Schools to make sure what we do is in the best interest of the students. They look at our systems for compliance to meet laws and regulations with the expectation that we are doing the best we can to provide a safe and engaging leaning environment. There will always be work we can improve on and we will be looking at doing this as we move forward. We will be reflecting on how we coped through the Covid 19 pandemic over the past 2 yrs. This includes learning, communication & commitment to keep students focused. We would value whaanau feedback on this. If you would like to have your say, please get hold of me, drop me an email or call in and have a koorero.

Orienteering sessions are starting soon. This is about code breaking and map reading. A great skill to learn for all our akonga. Students work as individuals and as a team to solve either the riddle or problem. We will be taking a bus to Aria. A large team ranging different age groups will be selected to go to the Interschools on the 17th June.

A reminder that Monday 6th June is Queens Birthday meaning no kura. Please be safe and enjoy the long weekend. Hopefully it is fine.

WAIKUA HIHIKO

WAIKUA HIHIKO = Creativity

League Rata shows us an excellent example of Wairua Hihiko during his Rugby game for Waitete White U11s against Ongarue on Saturday.

League got to the try line by using his creativity and flare to get him there! Fending with his right arm, protecting the ball with his left and putting power into his legs - There was no stopping him!
