 Te Wahanga tua tahi mo te wiki tua ono
 Tokohia ngā tamariki: 71

8th June 2021

Kia ora e te whanau,

We hope you had an enjoyable long weekend and kept safe and warm.

Mid-year reports will be coming out in a few weeks' time. These are interim reports meaning they give an indication of what your child is currently learning here at the kura. The curriculum areas will be reported on as well as our Uara. The focus on our Uara (School Values) is important as this shows you how your child is working through key tasks such as taking pride in their achievements and applying excellence to their work. An evening with Kaiako / teachers and your child is an important time to discuss these learnings. Please make sure you are able to attend these sessions in a few weeks' time along with your tamariki. A panui will be sent out soon. You are always able to make contact with Kaiako should you wish to see them earlier.

One of the many challenges we have as a community is making sure our tamariki are getting the correct type of kai and ensuring we have enough kai on the table. So far, the Healthy Lunches program is working out really well and we are lucky to have our kai managers doing a great job to provide for all tamariki regardless of dietary needs. As the days get a little cooler, we will move more towards warmer meals and do our best to provide a kai to keep tamariki happy. We are still able to provide fruit in schools every day. The fruit will vary from bananas to apples, to kiwifruit and pears so the range is great. Please encourage fruit to be eaten at home as well. Many thanks for your support.
