15<sup>th</sup> June 2021

Kia ora e te whanau,

It was great to see the enthusiasm of our students during the practice sessions for the Orienteering the other day. The teamwork was awesome for those working in pairs who were very new to this orienteering concept and for the experienced as an individual competitor, the commitment and focus was great to see. Well done. We wish you all the very best for this Friday 18<sup>th</sup> at Aria.

Kaiako are in the middle of writing up the student mid-year reports. This will be sent out just before the student led conferences. The main time to meet with Kaiako will be Wed 30<sup>th</sup> June. A scheduled timetable will be sent out with this panui to get an indication of suitable times. We will try to make the schedule work for your preferred time but as you can imagine, there will be whanau wanting to meet at the same time. We will liaise with you to adjust where and if necessary. The conferences should only take 10-12 minutes. This is a time to discuss the progress your child is making and what next steps could be put in place to help achieve the learning goals by the end of the year.

If a time can be made during the week that better suits whanau and the Kaiako, then that is fine, please make contact with them to follow this up. Your child comes with you to the conference to share their learning journey.

Stay safe and warm whanau, the weather for sniffles and colds is upon us. Remember, if your child is unwell and away, please contact us through the school app, or phone us to confirm details.

Heoi ano  
 Kevin Ikin, Principal
