14th June 2022

Kia ora e te whanau,

We are hopeful of a few fine days to dry the place out in time for the Orienteering in Aria this Friday. We will have 5 x teams competing with other schools. No doubt the track will be a little muddy so all students attending are reminded take a dry set of clothes to change into. It should be a lot of fun and we wish all the teams and participants the best of luck.

Next Friday will be the first time Matariki will be celebrated with a public holiday. That means there will be no kura next Friday. Our classes will be celebrating Matariki by doing a number of things in class. Next week, ask your tamariki what they are doing to celebrate Matariki.

The Ministry of Education are really concerned across Aotearoa with the large volume of students who are consistently away for little or no reason.

At Te Kura Rautau we too have students away for a range of reasons. Mostly sickness or flu related. There are a small number that are in isolation due to being close contacts for Covid. Thank you whaanau for keeping us informed and letting us know either by phone, txt, messenger or email that your child will be away and the reason why. Whaea Anya in the office calls and checks in on whaanau if we have not heard. This is also a safety concern in case your child has left to come to kura and not turned up. Thank you for working with us. The term is moving through rather rapidly. Kaiako will be working through assessments so they can report to whaanau on your child's academic progress at the end of the term.

Heoi ano

Kevin Ikin, Principal

Interschools Orienteering	17 th June
Matariki Day - No Kura	Fri 24 th June
Science Fair - Aria	6 th July
Last Day of T. 2 for students	Thurs 7 th July
Staff Only Day: Prof Dev (no school)	Fri 8 th July
Staff Only Day: Prof Dev (no school)	Mon 25 th July
1 st day of Term 3 for students	Tues 26 th July

Support Staff Day

Last Friday was officially Support Staff Day. As we had several of our Support Staff away, we will celebrate with a morning tea on Wednesday when they are all back.

The mahi our Support Staff do is amazing. They go beyond the call of duty with many of them putting in a lot more time and effort to support our tamariki and Kaiako. They really do an amazing job. Often the mahi they do can go un-noticed but it has a huge impact and positive outcome on the way our kura runs.

On behalf of the Board of Trustees and teaching staff, we would like to thank all our Support Staff for everything they do at Te Kura Rautau

(apparently, we will be wearing something pink on Wednesday - Not sure if the Principal has anything pink in his cupboard?)

Do you know what our Support Staff do?

- Work with ākonga - students
 - Assist and work with Kaiako
 - Clean up - clean out and tidy up
 - Complete all admin paperwork
 - Work with and communicate with whaanau
 - Initiate ideas and action them
 - Guide and awahi ākonga
 - Coach and upskill different sports codes
 - Feed kai to our tamariki
 - Nurture and support whaanau needs
- And this is just a few important things...*

- Wairua Hihiko** - (Innovation) their creativity, imagination and flair for innovation
- Panekiretanga** - (Excellence) in all they apply themselves to
- Mana Tangata** - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual
- Maniapototanga** – versed in the whakapapa, waiata, karakia, histories of Maniapoto

Community Notices

Community Update

Charter Update: The Ministry of Education (MOE) have released a statement recently highlighting the need to focus on Attendance and Engagement. This is one of our focus areas in our 2022 Charter: Attendance rates have been getting lower throughout the country for a number of years. Students have been switching off learning as it had little relevance or no real meaning to them. Covid 19 has made this even more noticeable. One strategy the MOE have promoted as having a very positive effect on raising attendance and engagement is to focus on 'authentic learning'. Using experiences or connecting to something that is important to the student and whaanau.

At Te Kura Rautau, Our ākonga (learners) have been focused on identity and knowing who we all are and where we are from. Learning about authentic stories and connecting to the history of events from our tupuna.

This pathway is proving valuable as we explore the History Curriculum which comes into effect in 2023. We are already delivering on this and just need to fine tune our operations. There are many more changes that lie ahead, and we need to prepare for them as best we can.

Breakfast Club
Every Tuesday and Thursday.

7:45am – 8:45am
Nau mai haere mai

Many thanks to our wonderful volunteers
- Whaea Janie and Whaea Crystal -
for preparing kai for our tamariki

Study Landscape Construction in Ōtorohanga

Join us for an information session and find out how you can get started here in Semester 2. Our Applied Horticultural Landscape Construction course is an excellent choice for those keen on a career outside. Work on real landscape projects in the community, providing you with experience in woodwork, laying concrete, and paving. You will also learn essential health and safety skills required in industry, how to read, draw construction plans, measure, and survey.

Date

- Wednesday 15 June, 3.30pm-4.30pm,
- Wednesday 29 June, 3.30pm-4.30pm

Venue

- 128-130 Maniapoto Street, Ōtorohanga

Course start date

- 11 July 2022

Visit wintec.ac.nz/events to register.

Centennial Park School

Thanks to the below businesses for sponsoring our school app:

If you would like to advertise on the Centennial Park School Skool Loop App please email Content@skoolloop.com

To download our app: In Google Play & App Store search 'Skool Loop' & choose Centennial Park School once installed.

A promotional banner for the Skool Loop app. On the left, it says 'JUST A HEADS UP' in yellow, followed by 'DOWNLOAD THE SKOOL LOOP APP TODAY AND NEVER MISS OUT ON IMPORTANT INFORMATION AGAIN.' in white. In the center, a child is shown holding a soccer ball in front of a goal. Below the child, it says 'DOWNLOAD FREE TODAY!' in yellow, with 'Available on the App Store' and 'GET IT ON Google Play' logos. The Skool Loop logo is in the top right corner.

The Cold Winter Days

How hectic has that weather been e te whaanau!

Thank you all very much for being patient and understanding with all the sport cancellations lately. We love seeing our kura maanaki at the times when our teams are short, and sometimes it has been at the last minute due to the winter bugs and Covid-19. Across all codes the various committees encourage tamariki just getting out there after a long time away from sports due to covid .

“ NGAA MIHI NUNUI tamariki maa for being adaptable and willing to awhi always “Poho Kereru maatou ki koutou katoa! - and to all our wonderful coaches and managers for making everything possible and smooth for our tamariki, just know we appreciate you very much”.

Here are 4 awesome tips to keep warm for your winter games ahead.

LAYER UP: No matter what sport you play, staying warm is important. Getting those extra (black) layers under our uniforms will help our bodies use less energy to keep warm leaving more energy for the game.

BOOST YOUR IMMUNITY: We can help our bodies' immune system by getting proper sleep every night and eating the right food for all those good nutrients.

DRINK PLENTY OF WATER: Even in the winter months our bodies lose water so we need to drink just as much water when exercising as we do in the summer months. Water helps with immunity by filtering out the bad stuff from our bodies, replacing what we sweat out and keeps those energy levels up.

WARM UP & DOWN: We know we should, but why? Stretching to warm the body up boosts our heart rate allowing the circulation of blood and oxygen around to our muscles and that's how they prevent injuries but also helps our joints and ligaments get ready. A Warm down allows you to stretch your muscles which will help with flexibility over time which will help prevent injuries.

WEEKLY SPORTS DRAW

NETBALL THURSDAY 16TH JUNE 2022

Time	Verses	Court	Player of the Day(Week1)
