## PĀANUI

Te Wahanga tua tahi mo te wiki tuawaru  
Tokohia ngā tamariki: 71

22<sup>nd</sup> June 2021

Kia ora e te whanau,

Congratulations to all our students who travelled to Aria for the Inter-schools Orienteering Event. We had 5 x teams participate. Many thanks to the whanau and volunteers who attended to support our tamariki. Some of the photo's have been posted onto [the website](#).

Our special guest, Elaine Bickell (Author) visited our junior classes last week. Her koorero was about her passion for reading which then led onto writing. She was inspired by things in her environment and surroundings. This is a great message on how to inspire our tamariki and as a community we can work together to keep our tamariki inspired.

Thank you whanau for booking in your times for the student led conferences to meet with the Kaiako. Please make sure your child attends the conference so they can share their learning journey. If you have not yet booked a time, please do so as soon as possible. Ngaa mihi.

We have trialed the School Loop App system to communicate with whanau at the kura for the parent interviews and appointments. Loading this School Loop app onto your phone means we can keep in contact. We would really like to see how we can now manage when students are away when they are ill or away for personal reasons and using the School Loop App to let us know. Thank you for supporting this.

We have been given a limited supply of little beanies (potae) that we will give out to our juniors when it is cold. Have an awesome week whanau. Keep dry, warm and safe.

Heoi ano  
Kevin Ikin, Principal

### Wednesday 30<sup>th</sup> June

#### Student led conferences

*You and your child are invited to attend these sessions to share what progress your child is making so far this year. Times have been locked in for those already confirmed. A small panui to confirm the time will be sent home as a reminder for next week*

#### - Crossing the road in a safe place - after school whilst road patrol is available:

A safety message please whanau. We are noticing a lot more whanau crossing the road near the bus stop area whilst Road Patrol is on after school and our little tamariki are starting to cross the road to go meet their whanau.

The road can get very dangerous and we encourage whanau to use the crossing area when patrol is out. This creates a safe role model of good choices and behaviour.

**Thank you for supporting this kaupapa**

# Periods are a fact of life for half the population. **Period.**

## Access to period products: Information for parents and whānau.

Periods are a normal part of life for half our population and no one should miss school because of their period. Young people can't always access the products they need to feel comfortable at school and sometimes they may simply get caught unprepared. Whatever the reason, free period products for young people who need them means that they don't have to miss school because of their period.

As parents and whānau, your young person's education and wellbeing is important to you. Providing period products is part of supporting their wellbeing. Students can better focus on their learning and know they can get what they need, when they need it, to manage their cycle.

---

### What products are available?

Pads and tampons – regular and super – are being provided at school. These products are easy for students to use at school and will meet a range of different age, developmental, and cultural needs.

Schools and kura can order enough products for young people to use for their whole cycle, based on an average of 20 items per young person per month. There will be mix of brands.

Using these products is not compulsory. Young people are free to make their own choices about what they use and can continue to bring products from home if they prefer.

If you are a parent or caregiver and have any questions or concerns about period products being available to any young person in your family or whānau, please speak with staff at your school or kura.

### How can students access product?

Each school or kura will arrange an appropriate way for young people to collect period products based on what works best for them and the school eg it may be from the school office, a teacher, counsellor or other trusted adult.

**— Access to period products  
in schools and kura.**

## WAIRUA HIHIKO

***“Ka rawe tama maa!”***

Creativity: Our Orienteering senior boys gave an awesome example of Wairua Hihiko last Friday within their warm-up. Taking their own initiative to warm up before setting off on their hunt, but added a hint of their creativity to a basic stretch.

***“Kia kaha korua”***

Innovation: Tarquin uses Wairua Hihiko with what he has learnt during the soccer workshop to hopefully get past Hunter.
