2<sup>nd</sup> August 2022

Kia ora e te whanau,  
What a week of changing weather. We are hopeful of a fine day for the Eddie Alcock Netball on Wednesday. It was postponed last week which was the right decision. We look forward to our 3 x teams that are entered. It is great that we are able to combine boys and girls into the same teams which will make for an interesting competition.

During the holiday's there were some areas upgraded around the kura to make sure the walking areas were a lot safer. Replacing the concrete blocks around C-Block that were at different walking height levels to a hot-mix tar seal. There was also some work done to make sure tamariki have warm water when washing hands in all the toilet blocks.

We continue to notice a number of students away due to illness. We support whaanau with this and keeping tamariki home if they are unwell. Our Office Administrator calls whaanau homes to check when tamariki are away. This is a safety requirement as something could have happened on the way to kura and no one is aware. It is also to make sure we get the correct details so we can record reasons for being away. Is it covid? Is it sickness? Is it tangi? We thank you for calling the kura or using the options such as absentee forms on Skool Loop app/website or sending txt. This makes our job so much easier.

Wearing masks indoors is strongly encouraged by our staff and tamariki. We are encouraging all students to wear mask even though our policy states from Yr 4 up (under the light system) Thank you for supporting masks.

**Wearing masks in Term 3: Referring to our School Policies and Procedures**

Our **Risk Assessment for COVID-19** policy states "We follow public health guidance to undertake regular assessments of risks from COVID-19. Risk assessments are regularly reviewed and updated, including when there are changes to risk."

Implementing the current mask wearing recommendation is an example of following public health advice and continuing to carry out your own risk assessments.

Our **COVID-19 Information and Procedures** policy states that "At Orange, we regularly assess for risks in our kura and community, and if necessary require staff and students in years 4 and above to wear a mask indoors, or when in close contact with others – for classes with a mixture of year 4 students and below, we make a pragmatic decision about mask requirements, taking a cautious approach" but encouraging them to also wear a mask indoors.

# Waitomo Sister City Cultural Exchange

We are inviting current (2022) Year 6 & 7 students, their families and interested people to an information evening about our proposed cultural exchange to Tatsuno in June 2023. Come along to find out more. **No commitment.** Let us know you'd like to come and for more information email us at [waitomosistercity@gmail.com](mailto:waitomosistercity@gmail.com) by 29 July 2022.

The establishment of our sister city relationship began when two fighter pilots – one from Tatsuno, Japan, Professor Kinase and Squadron Leader Les Munro, from Waitomo, meet at a World War II reunion. The two former enemies realised that both towns had several commonalities between them, the foremost of which is their fireflies and our glow worms, together with their shared war experience.

The first delegation came to Waitomo in March 1993 for informal discussions. On March 30, 1995 an agreement was officially signed at a ceremony held at the Te Kuiti Pa.

The agreement outlines key factors the promotion of friendship and goodwill together with the endeavour to encourage an understanding and awareness of the separate cultures and the exchange of ideas between our people and communities. This relationship has now celebrated 25 years.
