PĀANUI
Te Wahanga tua tahi mo te wiki tuarua
Tokohia ngā tamariki: 64

26th July 2023

Kia ora e te whanau,

Our ākonga have made a wonderful start to the term with many of them trying different games and activities. As we near the mini-ball season, we'll have a few extra balls and gears out for them to play with. Please manage these well as sometimes they can be left outdoors after use.

Term 3 will be challenging weatherwise as we still work our way through the changeable weather. If your tamariki are going to be away, please make contact with the kura and update us. Many thanks. We really do appreciate our whaanau doing this and making contact with us before 9:15am

I had a visit from 4 x students in Room 1 that were very keen to show me their findings with the experiments they were exploring. One group was using a magnet that activated music through a battery-operated circuit. One group used citric acid and powdered red cabbage (which was a light maroon colour) and you had to predict what was going to happen when water was added. (It turned a bright red) Interesting and fun for them to share. Thank you Room 1.

You will find in this Paanui, a copy of our Policy for 'Māori Education Success'. Please look over this and if you wish, please provide feedback so we can update our policy. We need to make sure it meets the needs of our community and is something we are either able to deliver or are working through this process to achieve the desired outcome. Many thanks for your input and your time in looking through this information.

Science in Room 1

Kitted out in safety hi-viz vests, goggles and a safety glove, this group of boys were very keen to show what they were learning...

Wiremu and Matatu sharing their learning - A chemical reaction - What happens? The colour changes to a bright red.

Yes - a perfect result!

.....

Someone had a birthday in Room 2 and on Friday they went outside to shoot a few goals to help celebrate. Kalayus had a turn at 'shots to the goal'. If you look carefully at his technique, he might be able to show some adults how it's done.
 (By the way - it did go in the goal)

Community Notices

Road works near the kura

We have been advised of local road works / repairs and maintenance will be happening near the kura. This is just a heads-up notice, so you are aware.

From July to September (scheduled for approximately 3 x weeks)

Streets effected: Ngarongo Street; Te Kuiti Road; Lawrence Street; *Park Street

**Park Street will be closed for a time during this maintenance period for vehicles only but pedestrians are still able to get through.*

This notice is to make our whaanau are aware so alternative arrangements can be made for those that use these routes before, during and after kura times. The great news is that there will be a new footpath along Park Street with proper access for wheelchairs or mobility units at each end.

.....

Rainbows End opportunity...

The Police have in the past few years organized a trip to Rainbow's End for Year's 5,6,7 & 8 students. As a result of Covid and other illnesses this has been postponed for a while. The organizing group (Police) now wish to bring it back and encourage tamariki to attend. We will send a paanui home with all eligible students so whaanau can decide if they wish to have their child attend or not.

A moment in time – History in New Zealand

30th July 1979: **Carless Days introduced:** Carless days for motor vehicles were introduced to combat the second 'oil shock' (petrol shortage) of the 1970s. They did little to reduce consumption and were scrapped in May 1980.

31st July 1976: **John Walker wins Gold at Montreal:** Following in the footsteps of Jack Lovelock and Peter Snell, Walker won gold in the Olympic 1500 m. Black African nations boycotted the Games in protest at the All Blacks' tour of South Africa

1st Aug 1987: **Te Reo Maori recognized as official language:** The Maori Language Act came into force, making te reo Māori an official language of New Zealand.

Some interesting facts about home ownership

Data from the Commission for Financial Capability shows that in the January to June period of this year (2023), 33% of people aged 55 to 64 surveyed did not own their own home. Almost 20% of those aged 65-plus were in the same position.

The current overall home ownership rate is expected to be 64% by the end of this year (2023).

What can we do to encourage our whaanau to own their own homes?

Rugby

We had the opportunity to watch our CP Under 9 players win last Saturday. Team "Kura Kotahi" is a combination of our kura here in Maniapoto. We have CP-Te Kura Rautau, St Joseph's School, Rangitoto School, Piopio Primary and TWoM all in the team. I would like to take the opportunity to thank every kura for their Kotahitanga each week and making this year's season possible for all our tamariki of Maniapoto. To Whaea Te Aroha and Matua Owen, thank you for taking the reins and coaching our babies through the season! Ngaa mihi koorua!

Sport Fees

All fees for Netball, Soccer and Rugby are now overdue.

Invoices will be sent out this week with tamariki so please be sure to ask your child to check their bag if you haven't received your one by the end of the week.

These fees will need to be paid before the miniball season begins!

Courtesy of our Whanau Support Group our kura is able to subsidise our tamariki fees to \$10.00 per person, per code. Majority of codes are asking double the price if not more. Please pay to the office ASAP or via the internet banking details below.

Thank you to all our whaanau that have made payments already.

Sport Uniforms

Thank you to all our whaanau who have made the effort to return the Sports Uniform.
We have had an influx of uniforms handed in and we are very grateful!

There are still plenty of uniforms to come back - A list of names will be issued out to classrooms this week with those names of whaanau who are yet to return theirs.
Please be sure to koorero with your tamaiti.

Some days the weather does not allow us to change out of our sports uniform, for example no changing rooms at soccer on a wet afternoon, or whaanau may choose to leave an event early, or other arrangements are made with the parent. To be easier on whaanau these moments have been allowed.

BUT these moments of awahi will now be stopped as many uniforms were returned late.
PLEASE RETURN ALL UNIFORMS TO KURA THIS WEEK
please look around your whare for

Miniball

Miniball is back for the season in Term 3. Waitomo Basketball will be making use of Te Whare Takarangi o Te Kuiti (Gallaghers Rec). Which means miniball will be run over 2 nights rather than the 3 nights we are used to. Below is a brief outline of nights each age group will be playing and please take note as to which venue your tamaiti will be playing at each week too.

- More information will be posted in the coming weeks -

Age Group	Day of the week	Venue
Yr 2s - Midgets	Wednesday	Waitomo Stadium
Yr 3&4s - Juniors	Wednesday	Te Whare Takarangi o Te Kuiti
Yr5&6s - Intermediates	Thursdays	Te Whare Takarangi o Te Kuiti
Yr7&8s - Seniors	Thursdays	Te Whare Takarangi o Te Kuiti

COACHES NEEDED : We will need coaches before we can make teams. If you would love to give it a go please tick to appropriate box below in the permission slip
