## PĀANUI

Te Wahanga tua tahi mo te wiki Tuatoru  
 Tokohia ngā tamariki: 71

10<sup>th</sup> August 2021

Kia ora e te whanau,

The cooler changing weather has a number of students and staff away with illness. A 'Huge Paki Up' to our whanau that are letting us know early as this saves us calling your home to check and confirm reasons for tamariki being away from kura.

Last week, we had visitors at the kura taking our senior classes for some special business planning lessons. Some of the key learning aspects were around working together as a team, developing an idea and exploring some of the ways to promote and make it happen.

Our kura have been invited to attend and perform at the Business Expo on the 1<sup>st</sup> September (at the Les Munro Centre). This is a great opportunity to promote our kura and have a look at the many careers and job opportunities within our community for the future. Our senior students in particular will be able to talk with business operators about the work force and what skills and qualifications are needed. This ties in nicely with the recent business planning program our senior classes were working on last week.

The miniball competition will be starting soon. Whaea Misy will outline the details in her report attached to this panui. Well done to all our tamariki that have come forward to be involved. Many thanks to those coaches and managers that have also put your hands up to help out. We really appreciate your support.

Please continue to be safe and dry during these cooler parts of winter.

Heoi ano

Kevin Ikin, Principal
