Kia ora e te whanau,

The Ministry of Education has now confirmed our application to be part of only a select few Schools in a pilot program to have Counselling Support in our kura. There will be more information later in the term to help whanau understand a little of what this all means for us all. The Counselling Service will be for any student or whanau that are having any concerns dealing with situations that cause stress or anxiety. We'll keep you posted.

What is happening in our cluster of Schools: WAKA - Waitomo Arotahi Kahui Ako. All the local school Principals are currently working together to discuss the common identified areas of need. These also align with the National Educational Learning Priorities (NELP) that were submitted and put together in our School Charter. One of those areas is 'Wellbeing'. Something that adds to the stress and we will be working on are things like transitions between Primary and Secondary Schools. We will be keeping you informed as things happen.

Just a small observation about our school lunch program. Many thanks to our whanau who are supporting us with this and encouraging our tamariki to eat a healthy lunch that the kura provides at no cost. It was just a little disappointing to see on one occasion some fried chicken and chips turn up which was then shared by others. Please whanau, we are doing our best to focus on healthy kai for all our tamariki every day.

Kevin Ikin, Principal

Nau mai Haere mai whaanau - A warm welcome to our new students and whaanau in Rooms 2, 3 and 4 who started this week - We know you will enjoy your time here at Te Kura Rautau

Te Hau Kainga o Pureora

We are very lucky to have our wonderful whanau from Te Hau Kainga o Pureora working with all of our tamariki and Kaiako. The next focus area will be on investigating pests in our ngahere. We hope to look at ways we can protect and ensure our manu are looked after. If you are curious and would like to learn along side your tamariki, you are more than welcome to join us on one of the Wednesday sessions. Each class has an hour session. Check in with your tamariki and find out what time they attend these classes.

PB4L - Positive Behaviour 4 Learning

Congratulations to all our wonderful students who were recognized last week at our recent PB4L Assembly.

Students were acknowledged for the great things they are doing in and around the kura. There were lots of special prizes and its great to see the tamariki leaving kura extremely happy with their little prizes. Well done to all students who were lucky enough to be drawn out for prizes.

Centennial Park School Values Ngā Uara

Mana Tangata - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual

'Ka Pai' Tickets for whanau:

Write out a 'ka pai' ticket for your child for something they have done that was awesome or really cool that you saw. It is up to you whanau. It could be they did any one of the following things or more.

- For making their room tidy
- For helping with the jobs around the house
- For being kind to their brother or sister
- Helping someone that needed a hand
- Showing excellent manners
- For getting changed and putting away their clothes without being told
- Showing initiatives around the house
- On the sports field / court demonstrating our Uara (School Values)

Please list what they did so we can acknowledge this during our special PB4L Assemblies.

You can find the Ka Pai tickets on the last page

BROOK PARK INCORPORATED SOCIETY

INTRODUCTION AND NEWSLETTER

Brook Park, Motakiora, in Te Kuiti provides a leisure reserve for the enjoyment of resident and visitors. The Park is mostly of a moderate to steep slope, with pockets of native bush, the Barry Blackman collection of conifers and includes significant and notable collections of tree species, both exotic and native. The Park is also leased out for livestock grazing to help keep pasture under control.

There is a system of marked walking tracks allowing short easy walks, to moderately long and strenuous walks. A mountain-bike track has been developed along with an international Disc Golf course.

A carpark is located at the Te Kumi Road entrance to the Park. Pedestrian access to the band rotunda and the wider reserve is available through the sign-posted gate in the carpark.

Motakiora is the site of a fortified Maori Pa. It was constructed probably sometime in the 17th century by Rora, a son of Maniapoto. Today, Motakiora stands like a sentinel over the "gateway" to Te Kuiti.

Friends of Brook Park

Waitomo District Council has adopted a Brook Park Management Plan, which provides for the administration and development of the reserve through the establishment of a "Friends of Brook Park" group. This group is called the Brook Park Incorporated Society and consists of local volunteers who work together to identify projects from the management plan and develop them over time, raising funds where necessary to support this work. This group are always looking for more interested people to join in helping at working bees and running community events. A monthly committee meeting is usually held on the first Monday of the month. At this meeting there are reports on Fencing and maintenance, weed control, upcoming events and reports from groups who are working on special areas of the park.

The Brook Park committee are lucky to have many local businesses who generously sponsor our public fireworks display. This is a huge event always attracting well over one thousand people from all around the district. A professional pyrotechnic company comes from Auckland and provides an amazing show which is enjoyed by all ages who come to the park with their families for a stunning night. This event would not happen without sponsorship and support from our local businesses.

It is great to have more events involving local schools making good use of our park.

If you would like to find out more about the Brook Park Incorporated Society, contact our Chairperson WDC Councillor Guy Whitaker or members Neil Brooks, Phillip Houghton, Andrea Hanna, Sue Wagstaff, Gerald Kay, Helen Sinclair, Elly Kroef, Jane Murray, Graeme Churston, Sheralee Buchanan, Rob Buckley and Glynn Meads

Brook Park Newsletter

This newsletter is to keep members and sponsors of the events we run during the year, up to date with what we are doing.

If you would like to be a member the cost is \$10 per person or \$20/family. There is also the opportunity to become a life member for a one-off fee of \$100. A regular newsletter will be emailed out to you.

This year our annual Fireworks Display is on Saturday 30 October and is open to the public for a gold coin donation. Before the fireworks event we are running Talented Te Kuiti with help from some funding from Creative Communities. We will be featuring local groups to entertain us on stage. There will also be local organisations who will be fundraising by selling food and drinks

There has been some interest in starting a Disc Golf group which would be open to anyone who would like to learn or share their knowledge on this addictive game. When the evenings get a bit longer and warmer a call through this newsletter and newspaper will be made for interested people to meet regularly and have a go.

Brook Park has the chance to make some extra money by having the Community Op Shop from the 6 – 10 September. Any offers of help and saleable items including baking would be greatly appreciated.

COVID-19 vaccination in Waikato

The COVID-19 vaccination programme is ramping up in the Waikato. You'll be able to get your vaccine at a time and place that suits you.

People are being vaccinated by group – visit covid19.govt.nz/vaccines to check what group you're in.

Group 3

You can book your appointment now if you're in Group 3, even if you don't have an invitation. Group 3 includes people over 65, people with disabilities and those caring for them, people with underlying health conditions, and pregnant people.

Freephone **0800 28 29 26** between 8am and 8pm to book your appointment.

Group 4

Group 4 (the general population) starts on 28 July. This is a big group so vaccinations will be done in age bands, starting with people aged over 60 years.

Your invitation will have all the information you need to book online or by phone.

"Amohia ake te ora o te iwi, ka puta ki te wheiao."

"To protect the wellbeing of our people is paramount"

Kia tūhonoa te ora o te iwi ki te wheiao

The COVID-19 vaccine is free and safe. It's the best way of protecting yourself, your whānau and your community.

Frequently asked questions

Why do I need to book?

Can't I just turn up?

We need to make sure the people most at risk are protected first. We also have a lot of people to vaccinate across the takiwā and we can't do it all in one go. We have enough vaccine for everyone in New Zealand – you won't miss out.

Where can I be vaccinated?

People will be able to go to a range of places to get vaccinated – community vaccination centres, fixed sites, mobile clinics, GPs and pharmacies located all over the Waikato.

Is the vaccine safe?

The Pfizer vaccine has been rigorously tested. It is approved by Medsafe, New Zealand's medicines safety authority, meaning it has met international and local standards for quality, safety and efficacy. Millions of people around the world have already received the vaccine with great results.
