PĀANUI
Te Wahanga tua tahi mo te wiki tuatwha
Tokohia ngā tamariki: 65

16th August 2022

Kia ora e te whanau,
The days are noticeably longer with the mornings no longer as dark at 6:30am. We have received some fantastic Science resources which some of the classes have already explored. 'Dem Bones' gives our tamariki an opportunity to learn about their bodies and how bones play an important part in how we do things. We have included some pictures of Room 2 learning about bones. The students took the 'selfies' using their chrome-books. We will be getting a lot more of the science packs that will cover the wide range of that area of learning over the next year or so. We will link this to the topic studies so ākongā can see the connection and understand the purpose of science in their learning.

A large group of students have been practicing for the Koroneihana in Ngaruawahia on the 18th Aug. At times the practice sessions have been after kura and involving a wider community base of whaanau from Maniapoto. This comes together to represent our area at the Koroneihana. All students were given an opportunity to participate. For those not going, your Kaiako would have made contact with your whaanau by now to arrange for hybrid learning at home for the day as most staff will also be attending the Koroneihana. If you have not heard from your child's Kaiako, please contact the kura as soon as possible. Thank you.

Stay well whaanau, still a few bugs and sniffles around and we need to be all thinking of safety.

Self Defence for girls

(coming up in Sept for our girls Yr 3-8)

Our communities outside of schools can be challenged by individuals or groups of people that think they can pick on or bully people no matter who they are or where they are from. A recent case in town with a paper delivery person being attacked in a cowardly act by some teenagers means we need to be very mindful and if possible doing something about keeping ourselves safe.

We are able to offer our kotiro / girls self defence. The objective is for girls to uplift each other and empower themselves to live safely. Our students will learn to think confidently, speak strongly and be able to use self defence skills / techniques when necessary. The course will be taught by an accredited teacher of self defence (Melissa Goodin) from Hamilton.

A moment in time – Our History

15th August 1945: The war is over! VJ Day: Japan's surrender following the atomic bombing of Hiroshima and Nagasaki ended the Second World War. More than 200,000 New Zealanders had served during the war and more than 11,500 had died.

16th August 2008: Evers-Swindell twins defend Olympic rowing title at Beijing. While Kiwis had high expectations of their rowing squad at the Beijing Olympics, few expected identical twins Caroline and Georgina Evers-Swindell to successfully defend the double sculls title they had won in Athens in 2004.

18th August 1892: First women's cycling club in Australasia formed. Soon after the development of the modern bicycle, Australasia's first women's cycling club was formed in Christchurch.

Sports Uniforms

We still have **soccer socks** and **soccer shirts** that made their way home with our tamariki after their wet and cold games to get them home that tad warmer on the way home. Please e te whaanau, return to kura as soon as possible.

We also send the call-out for any other kind of Centennial Park School Sports Uniforms you may have laying around the whare (house). We are lucky to have a uniform that is one of a kind when our tamariki represent us in Sport Teams or Inter School Events . Your time will be much appreciated!
