18th August 2020
 Kia ora e te whanau,

The effect of Covid 19 at Level 2 in our community is starting to take effect and making us do things differently. There have been a number of postponements and cancellations as the priority has been focused on the Health and Wellbeing of all our tamariki, staff and whanau. Distribution for items such as stationary orders have been delayed. Stocks for some items have been hard to supply. We ask again that when whanau are in the kura during the day to please call into the office to sign the visitor's book. If picking up or dropping off tamariki and you have entered the school grounds this is important for contact tracing. Thank you. How long this will impact the way we do things is in the hands of the Health Sector Officials and the Gov't.

We support whanau should they wish to engage with distant learning in the time being during this uncertain time. Your child's Kaiako have prepared packs so work can continue from home. We welcome the support and appreciate these are not easy times to make important decisions. Your child is still safe at kura and we are making sure we are following the guidelines by the MOE and Health Sector.

We had planned for a School camp for in September. There is some uncertainty on this but we need feedback from whanau to confirm your thoughts and suggestions. **This Thursday at 3:30pm a hui to discuss camp to Mangatoatoa Paa** will be held in the school staff room. Many thanks for your input.
