25<sup>th</sup> August 2020

Kia ora e te whanau,

It is never easy to make the big decisions of calling things off such as events or special fixtures but if your child's health and wellbeing is paramount, then everything else becomes secondary. We feel for those in areas like Auckland who are restricted in so many ways under Level 3. The Gov't have decided to keep the rest of the country at Level 2 until Sept 6<sup>th</sup> with a review just before this date.

So what will this mean for us as a Kura? We need to be very mindful of how whanau are feeling. These are uncertain times and we have an obligation to ensure safety of all tamariki will not be compromised.

We encourage whanau to keep their tamariki home if they are unwell. Thank you for letting us know and that you are prepared to use the learning materials so home learning can continue. The Eddie Alcock Netball Tournament which was due to be played this week has been postponed. After discussions with our sports coordinator and other local schools, we have decided not to involve our tamariki in The Tournament due to all the current uncertainties. These decisions seem unfair but the best interests of our tamariki are what matters.

We really appreciate the views of whanau and for those that voiced their thoughts last Thursday, thank you for your attendance. It has been decided to not have our School camp in September due to the current uncertain times of Covid 19. There have been several restrictions put on by places we were hoping to visit which was understandable.
