**PĀNUI**  
Te Wahanga tua tahi mo te wiki tua whitu  
Tokohia ngā tamariki: 67

1<sup>st</sup> September 2020

Kia ora e te whanau,

The sun sparkled through and the day was well settled for the unveiling of our School Urara (Values) signs. Many thanks to our special visitors and guests who were able to make it. Matua Kingi opened our session followed by Matua Joe with karakia. It was great to have our tuakana share their understandings of each of the Uara. Thank you to the BOT, staff, tamariki and Community for your suggestions and ideas in putting these all together.

The organizers of the Te Nehenehenui Tribal Festival have changed location to Aria hall due to the other facility in Piopio being under construction. With the event happening this Saturday, the organizers are still assuring us that all possible precautionary measures have been put into place and will be followed through. There will be no audience which includes whanau and staff outside of the immediate supervising staff and tutors able to attend. Under Covid Level 2 there is a capping on 100 people total allowed to be in attendance. We wish all tamariki that are participating on Saturday the very best. A 'Huge Paki Up' to our tutors, staff and whanau who have done a great job in preparing our tamariki.

Just a reminder that the free dental unit is at kura supporting the dental hygiene of our tamariki. All students will be visiting the unit whilst it is stationed at Te Kura Rautau. If you have younger tamariki that need a checkup, please call in and see the nurses. A reminder also that the free ear clinics at TKT Hospital for today, the 15<sup>th</sup> and the 29<sup>th</sup> September

## Community Notices

### COVID 19 Level 2

*Just a reminder that while everyone is onsite at Te Kura Rautau under Alert Level 2, we must adhere to key health measures including:*

- *Good hand hygiene and cough and sneeze etiquette*
- *Staying away if sick*
- *Keeping the appropriate physical distance from others*
- *Cleaning and disinfecting our high touch surfaces daily*
- *Displaying QR code posters at our entrances and encouraging all of our community to download the NZ COVID Tracer App and use it if they come onsite*
- *Keeping a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.*

### Face coverings are not required at school or on any school transport

This includes chartered buses hired by the school to transport students and staff. Anyone who chooses to wear a face covering in any setting will be supported to do so.

### Face coverings update

There is emerging international evidence that the use of masks and face coverings can reduce the risk of infected people spreading COVID-19. Masks and face coverings can be particularly useful if there is a risk of undetected community transmission and people are in close proximity to each other, or are unable to physically distance.

Face coverings will therefore be **required on public transport** (buses, trains and commuter ferries) **from 11.59pm on Sunday 30 August.**

The key impact the new requirement will have on the school community is that **students aged 12 and above** will be required to wear a face covering when on **public** transport.

**School transport is not included in this requirement.** We know who is on school transport and have good systems in place to identify potential close contacts, should there be a case. Children will also be staying away if they are unwell, vehicles will be sanitised after each school run and drivers have been asked to wear face masks.
