PĀANUI
 Te Wahanga tua tahi mo te wiki Tuawhitu
 Tokohia ngā tamariki: 71

10th September 2021
 Kia ora e te whanau,

Welcome back to Te Kura Rautau under the Delta Level 2 rules and guidelines. We are sending this panui out on a Friday as it is important we all stay connected and in touch with what is happening.

It is fantastic to see the majority of our tamariki returning to kura yesterday and it must be great to see and be with their friends again. They will be working their way through a number of challenges as they adjust to what could be a new norm for a while.

We will outline some of the guidelines for whanau again to reassure that the number one priority for us all is the welfare and wellbeing of our tamariki.

We have included in this brief panui some images of what some of our junior tamariki were doing during the lockdown. Thank you for sharing them with us.

In the last school panui that was sent out before Level 4, we had The Ministry of Education confirm our selection to be part of a pilot program having Counselling Support in our kura. The information is just starting to filter through but we want to involve our whaanau in this initiative. Do you feel there is a need for this service? How do you see it working? The Counselling Service will be for any student or whaanau that are having any concerns dealing with situations that cause stress or anxiety. At the moment there is plenty of that in and around our country. We'll keep you posted.
