6<sup>th</sup> September 2022

Kia ora e te whanau,  
Our kura had teams in the Yr 5-6 and Yr 7-8 Rippa Tag Tournament last Friday. Apart from the changes in the weather conditions, everything went well. Congratulations to our students who performed on and off the field really well with both teams making it to the playoffs. Once this was over, they were all packed and returned to kura in time for an acknowledgement and farewell to Whaea Tallea. She will be leaving us and moving to Cambridge. We would all like to thank Whaea Tallea for her dedication, commitment and efforts to her mahi and to the kura. We all wish her well in her endeavors.

A paanui and direct contact by Kaiako to each respective whaanau that have tamariki in their class will be made to update you all on the details for the trip to Wellington next week (14, 15, 16 Sept) especially for those attending. Our kura will be sending a large representative roopu to be part of the final signing of the Treaty Settlement for Maniapoto - Te Nehenehenui. At this stage we have not been given a lot of information about accommodation and transport but understand this is being arranged by the organizing committee from Te Nehenehenui. As soon as we know this, our staff will be in contact with whaanau. It is unfortunate that not everyone will be able to go as there is a limit on numbers. Those remaining should have been contacted by now or will be by the end of this week to discuss what is being arranged.

Many thanks for your support whaanau. Please keep safe and stay well.

**Art Projects at the kura**

Our senior students were able to get special art experience from the team at the Waitomo Society of Arts last week. Working on 'prints' the work was inspired from Maniapoto's pet tuna.

To complete these projects, our tuakana will be working on these over the next few weeks.

## Rippa Tag Tournament last Friday

The teams had a lot of fun - even when it rained, they came up with a game to keep themselves warm and focused.

### An update on Mask Wearing:

The Gov't are very seriously thinking of removing the requirement to wear masks indoors such as in malls and in confined spaces. This announcement may happen over the next few weeks.

After discussion with staff, we believe it is in the best interest until at least the end of this term to continue wearing masks indoors and in confined spaces to reduce the risks and spread of Covid or other illness bugs. Some of these have been rather difficult to manage this year. This also helps to protect our staff who are very vulnerable and exposed to these risks. As the season warms up and we start to recover from these illnesses, we may be better able to cope. We hope you are willing to support us with this decision

**7<sup>th</sup> Sept 1868:** *von Tempsky taken at Te Ngutu o te manu:* Gustavus von Tempsky was killed during an assault on Titokowaru's south Taranaki pā. His exploits during the New Zealand Wars had made the Prussian soldier of fortune a folk hero for many European settlers but to Maaori he was a villain, and in some cases a murderer.

**7<sup>th</sup> Sept 1909:** *NZ's heaviest gold nugget discovered:* New Zealand's heaviest gold nugget on record was found at Ross on the West Coast. Weighing 3.09 kg, the nugget was named the 'Honourable Roddy' after the minister of mines, Roderick McKenzie.

**7<sup>th</sup> Sept 1921:** *Springboks play NZ Maaori for the first time:* A South African journalist was outraged when white spectators supported the New Zealand Māori rugby team playing the touring Springboks at Napier.

**8<sup>th</sup> Sept 2008:** *Sophie Pascoe wins her first medal:* At the 2008 Beijing Paralympics, 15-year-old Sophie Pascoe won her first medal, a silver in the women's 100m butterfly S10. She went on to win gold medals in 100m backstroke S10, 100m breaststroke SB9 and 200m individual medley SM10.

**Sept 10<sup>th</sup> 1914:** *Eruption on Whaakari (White Island):* 10 miners working on Whakaari (White Island) were killed when part of the crater wall collapsed, causing a landslide.

**Sept 10<sup>th</sup> 1984:** *Te Maaori Exhibition opens in New York:* The landmark Te Maori exhibition was a milestone in the Māori cultural renaissance. ## KCRU RIPPA TOURNAMENT

Thank you to all our beautiful awahi from our parents who made the time to come and support our tamariki last Friday . Whaea Demi McRae, Whaea Sarah Tahī, Whaea Renai & Matua Piri, Matua Wiremu Barrett, Whaea Sharon Avery and Whaea .....Without you all the day would not have been possible so a heartfelt thank you from us here at Centennial Park School!

### CPS Taniwha's

The year 5&6 team drew their first game against TKP Chasers, won to Piopio Commandos, then the Pukenui 1 team to make it into the quarter-finals

against Korakonui Raiders. The game went into extra time with a draw at full-time but Korakonui put a stop to the clock with their well deserved try and took the win.

### CPS MANGOPARE

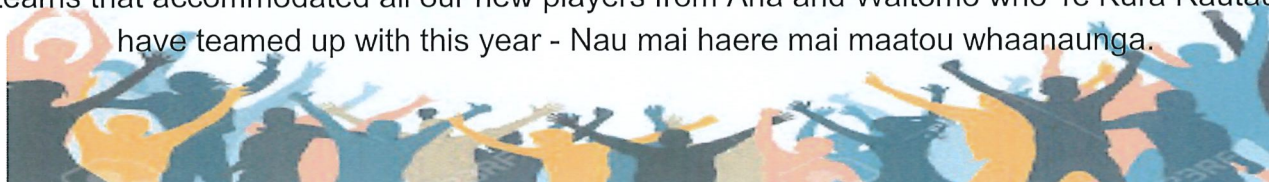

Our year 7&8's also made it to the quarter-finals with 3 wins against Benneydale, TKP, then Korakonui and only 1 loss to Pukenui. All our seniors showed beautiful resilience but Piopio went away with the win at the end of the day.

Such proud results for our kura with limited training time that it came down to the natural talent within our kura - an absolute huge tribute to our tamariki o Te Kura Rautau!

## MINIBALL
