Kia ora e te whanau,

The final week has arrived - Yay as some would say... Although it is also an extremely challenging time. Finances can be stretched so please budget and be mindful it's not going to be any easier for a little while longer. I believe we have a large percentage of very humble students who never ask for anything, and this will help whaanau. Spending time together as a whaanau and doing simple things like going for a picnic can mean so much to each other. A great time for tamariki to be acknowledged for their achievements and efforts throughout the year.

There are many deserved staff and whaanau needing a rest to recover after a very busy term and year. Thank you to you all for everything you have done for our tamariki. They deserve the best. Did we help deliver this? How can we improve on this together?

Well done to six of our students who participated in the regional Waka Ama regatta at Lake Karapiro over the past weekend. They were paddling in different crews under the Nga Tai Whakarongo Club. Who knows, next year could see a lot more of our students on the regional or even national stage. Good luck if you are lucky enough to attend the Nationals early in the new year.

We need to start thinking about what lies ahead in 2024. This will be an exciting year as we dive into a number of things to keep the focus on what our community wants.

Upcoming Events this Term

Final Assembly 11:30am Friday 15th December
Last day of Term 4 Friday 15th December
*School restarts on Wednesday 31st Jan 2024

The Sports Assembly was held on Tuesday afternoon followed by a few games...

Many thanks to those whaanau, coaches and managers who were able to make it to the assembly to acknowledge the efforts of our tamariki throughout 2023. There were some outstanding results across all the codes. We are thankful to our other kura that supported us. Combined teams helped allow many tamariki play the games.

Stacey, Kiana & Miriama being recognized for their efforts in Miniball - Well done to you all.
