PĀANUI
Te Wahanga tua tahi mo te wiki tuatahi
Tokohia ngā tamariki: 71

18th October 2022
Kia ora e te whanau,

The fine days of late and the wonderful smiles of our tamariki welcomed us all back into kura for the start of Term 4. We welcomed a number of new students to Te Kura Rautau and it is encouraging to have more new whaanau preparing their tamariki for starting in 2023. Nau mai haere mai.

A warm welcome to our new students this term: Devondre-Sahn, Jessi-Jade, Peter-Orsoni and Brooke-Lima.

It is the start of Summer which means we encourage wide brimmed hats to be worn outdoors. As a SunSmart kura, our School Policy encourages being safe outdoors, especially during certain break hours of the day. We will have sun lotion available for students to apply.

Congratulations to our representatives in the sporting codes. In particular to Tarquin, Stacey and Lawson who gained U13 rep honors in Basketball.

A busy term ahead with Ki o Rahi in Piopio for our Yr 7-8 students next week. We will have one team representing our kura at this event. Congratulations to our three students selected to travel to Tatsuno Japan in 2023. You will be wonderful role-models for our students here at Te Kura Rautau.

It is with sadness we acknowledge and convey our condolences to Whaea Hera and her whaanau for the recent tragic loss of her son. The kura community are here to support where-ever and however needed where we can.

Heoi ano
Kevin Ikin, Principal

Start of Term 4	Monday 17 th October
Labour Weekend - no kura	Mon 24 th Oct
Ki o Rahi Tourny Piopio College	Fri 28 th Oct
Christmas Parade in Tkt	Fri 9 th Dec
Last day of kura	Thurs 15 th Dec
Staff Only Day	Fri 16 th Dec

Congratulations – 3x students have been selected and are off to Tatsuno, Japan in 2023. With over 22 applications from throughout the Waitomo District applying for only 8x student positions, **Stacey, Amaia and Miriama** have been chosen to represent our community, our kura and our whaanau in Tatsuno Japan in 2023. Most Schools had students apply but not every School were successful in gaining positions. The students had to provide a handwritten application and then had to be chosen for personal interviews. Our kura were hoping to have at least one succeed, but to have three is unbelievable.

Unlucky not to be chosen was Eli, who we know will rally behind the others and support them in their fundraising quest. We'll keep you all posted as now the hard work of fundraising and supporting our wonderful tamariki begins. We know our tamariki will be fantastic ambassadors and role models for future trips.

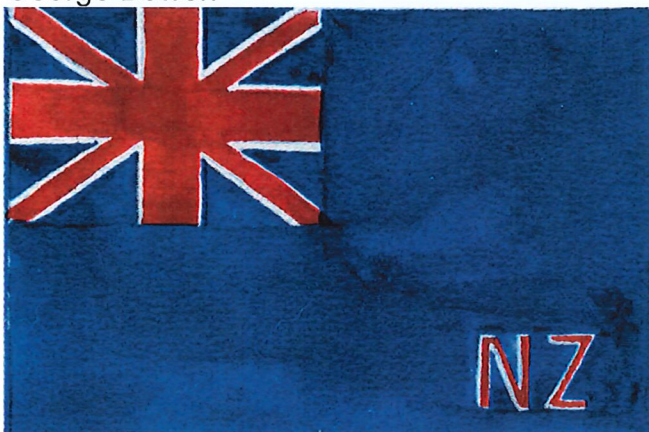

Stacey, Amaia and Miriama are heading to Japan.

A moment in time – Our History

October 23rd 2011: All Blacks win World Cup for 2nd time. The All Blacks won the Webb Ellis Cup for the second time in seven attempts, defending grimly to hold onto an 8–7 lead over France in front of 61,000 spectators at Eden Park, Auckland.

October 23rd 1869: New Zealand ensign proclaimed: The design of the New Zealand ensign that was to be flown by ships owned by the colonial government was established by a proclamation by the governor, Sir George Bowen

25th October 1949: IHC formed: A meeting in Wellington set up an interim committee for the Intellectually Handicapped Children's Parents' Association (IHCPA), the forerunner of IHC.

26th October 1942: Women's Jurors Act allows women to sit on juries. The Act provided for women aged between 25 and 60 to have their names placed on the jury list on the same basis as men – if they so desired

28th October 1835: He Whakaputanga signed by Northern Chiefs; Thirty-four northern chiefs signed He Whakaputanga (a declaration of independence) at a hui called by the British Resident, James Busby.

Our Kura Uara – School Values

Wairua Hihiko - (Innovation) their creativity, imagination and flair for innovation

Panekiretanga - (Excellence) in all they apply themselves to

Mana Tangata - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual

Maniapototanga – versed in the whakapapa, waiata, karakia, histories of Maniapoto

Community Notices

Duffy Role Model Assembly

Feedback from our Duffy Role Model visit last Term (Thursday 29th Sept).

Our guest visitor Ken Millwood from Hamilton Zoo spoke about his role at the zoo, a place he has worked for the last 14 years and also where for the last 4, he has actually lived in the Rainforest Zoo Residents house. His love of nature and conservation and animals means he has his dream job. Reading about things that fascinated Ken encouraged his awareness and excitement he wanted our tamariki to benefit from.

Sun Protection – The Kura Policy:

In New Zealand we have one of the highest rates of melanoma skin cancer in the world, but we can enjoy the sunshine and reduce our risk of harm by being sun smart. Sun smart behaviour is particularly important for young people, as excessive exposure to ultraviolet radiation (UVR) in childhood and adolescence can increase the risk of melanoma and other skin cancers later in life, and cause eye damage.

Centennial Park School – Te Kura Rautau is a SunSmart accredited school.

Centennial Park School – Te Kura Rautau aims to:

- protect our students and staff from excessive exposure to UVR while they are at school, or involved with off-site school activities, including sports and Education Outside the Classroom (EOTC)
- educate the whole school community about the harmful effects of excessive exposure to UVR, and how to keep themselves safe.

We inform and remind all staff, parents, and other members of the school community (such as coaches, volunteers, etc) about our sun protection policy.

We educate our students about sun safety by communicating age-appropriate information about sun exposure and protection. We provide this information annually in class programmes for every year level.

Timing of the policy

Our sun protection policy applies between 10 am and 4 pm, during terms 1 and 4.

UVR cannot be seen or felt, so temperature and weather conditions cannot be relied on to determine when sun protection is needed. UVR can be measured using the Ultraviolet Index (UVI). The Cancer Society advises that sun protection is needed at a UVI level of 3 or higher. This commonly occurs in terms 1 and 4 between 10 am and 4 pm, even on cloudy or cool days. The level may also exceed 3 at other times.

During terms 2 and 3, UVR is generally at a low level and students do not normally need to wear hats, apply sunscreen, or stay in the shade. They should be encouraged to actively enjoy the sun as sun exposure has benefits, including increasing Vitamin D absorption.

See information from NIWA about the **UV Index** and **UVI forecasts for specific sites**.

Sun protection should also apply in highly reflective environments, such as while skiing.

SunSAFE practices

- We ensure that sun protection is considered for all outside school events and activities, on-site and off-site, including sports and EOTC. We try to plan outdoor activities to minimise

exposure to the sun during the summer (e.g. timing, use of shade).

- Students are encouraged to make use of shaded areas when outside. Students eat lunch in the shade or inside, as appropriate.
- We encourage students to keep hydrated by drinking water.
- We require students to wear hats that shade the face, neck, and ears, whenever they are outside and involved in school activities. Students at school without a hat must remain in an allocated shaded area or inside at break times. Hats must be broad-brimmed (min. 7.5 cm), or legionnaire/bucket hats (min. 6 cm brim, deep crown). These hats provide significant protection to the eyes.
- We encourage students to protect themselves with broad spectrum sunscreen of at least SPF30 (Sun Protection Factor). The school provides sunscreen.
- We encourage students to wear clothing that protects the skin (e.g. long sleeve tops, rash tops) when at risk of extended sun exposure (such as at sports days, school camps, and picnics), or when swimming outdoors.
- Staff are encouraged to model appropriate sunsafe behaviour by wearing sun protective hats and clothing, sunscreen, and making use of shade whenever possible. Parents are also encouraged to wear sunhats and be positive role models when picking up children or participating in school activities.
