1<sup>st</sup> November 2022

Kia ora e te whanau,

The Ki o Rahi tournament at Piopio College went well last Friday. The feedback was extremely positive, and it was fantastic to hear how our students conducted themselves and encouraged others. This was noted by the organizers who made a special mention to the teams. Overall the senior Year 7-8 team won 2 and lost 2 games. The Year 5-6 team went through the rounds undefeated until the final game, losing by just 2 x points in the end. Well done to all the players and thank you to those whaanau who were able to travel to support.

We have a lot of tamariki from different kura using our basketball courts and playgrounds, mostly well after school or during the weekend. We support this as the kura belongs to the community and it is encouraging to have many people using the facilities. It is wonderful to see lots of different whaanau supporting their tamariki here as well. Please encourage all users to use the rubbish bins and tidy up after they have finished their kai so our kura remains nice and tidy for the start of school.

An earthquake drill was conducted last week. It was interesting to see the reactions of our students for those that were outdoors and where they go or what they do during an earthquake. Overall, a really good exercise and something everyone should learn what to do. Ask your tamariki what they did and see if you can have an earthquake drill at home.

Stay safe whaanau. Days are warming up. Don't forget, a Halloween disco fundraiser for Yr 8 this Thurs. A paanui will be sent out with times.

**Te Maika safe under the table**

**Even Whaea Hera - safe under the table**  
**(How did you get there Whaea Hera???)**

If you can get under the table during an earthquake, do so. If not, close by or right next to the table will do. Practice at home, just like Room 2.

Safely and carefully, Room 2 students can fit under the table

It's O.K. I'm safe under here (Kalayus)

To get feedback from the wider community of how well our students behaved and carried themselves is what this is all about. The results and placings are a bonus. Well done to our Yr 5-6 team who came 2<sup>nd</sup> in that age group. Well done to our senior girls for the way you encouraged and supported others in the womens game. It was noticed by lots of different people on the day.

**Safety Crossing the Road:**

We still see a small number of whaanau not crossing when the road patrol wardens are on. Please note whaanau, you are giving a mixed message to our younger tamariki

**Good Safe Practice:** Please whaanau – Use the controlled pedestrian crossing when it is operating. It is out on road patrol every afternoon and this is the busiest time for our tamariki to get across the road from the kura. We are still noticing a smaller number of whaanau crossing the road where the bus stops as it is the most convenient for them. The potential of this being a major problem will occur if a young child see's the whaanau across the road and then just runs out onto the road as they will be excited to see their parent or caregiver can lead to a major accident. Please help support our wardens and keep everyone safe.

**A moment in time – Our History**

**1<sup>st</sup> November 1898:** Old Age Pensions Act becomes Law: A world first, the Act gave a small means-tested pension to elderly people with few assets who were 'of good moral character'. It was one of the major achievements of Richard Seddon's Liberal government.

**Ki o Rahi Tournament**

What a fantastic opportunity to have our kura represented by two wonderful teams last Friday.

**2<sup>nd</sup> November 1868:** NZ becomes the first country to adopt a standard time: On 2 November 1868, New Zealand discarded its numerous local times and became the first country to regulate its time in relation to Greenwich mean time (GMT)

**3<sup>rd</sup> November 1886:** Birth of Anchor Butter: From a dairy factory at Pukekura, Waikato, Henry Reynolds launched Anchor butter. The brand name, allegedly inspired by a tattoo on the arm of one of his workers, would become one of this country's best-known trademarks.

**4<sup>th</sup> November 1930:** Phar Lap wins the Melbourne Cup: Ridden by Jimmy Pike, the New Zealand-bred (but Australian-owned) wonder-horse beat Second Wind by two lengths to claim one of his greatest victories

## Our Kura Uara – School Values

**Wairua Hihiko** - (Innovation) their creativity, imagination and flair for innovation

**Panekiretanga** - (Excellence) in all they apply themselves to

**Mana Tangata** - Pride in their identity, resilience when faced with challenges and adversity, enduring respect and care for hapū and iwi, integrity of character and as an individual

**Maniapototanga** – versed in the whakapapa, waiata, karakia, histories of Maniapoto

## Community Notices

**Congratulations to Krytin Mills**  
*(Krytin was one of our ex-students) who is now 16 years old and has two sisters here at Te Kura Rautau.*  
*Krytin won the massive grocery raffle that was arranged by our Nannies at the kura.*

### *Here's some great news...*

*Our student attendance for the start of the week was 93%. The students who were away, were due to illness. As the warmer weather comes through, less illness and more school time. Well done everybody. Just for your information, a lot of schools around the country are averaging 75 - 85% so you're doing a great job whaanau. Thank you for letting us know why your tamariki are away and thank you for encouraging tamariki to turn up to kura on time.*

## KI-O-RAHI FESTIVAL

On Friday last week some of our Year 5&6's and Year 7&8's attended the Ki-o-Rahi Festival hosted by Piopio College. This festival was to revitalise the kemu (game) of Ki-o-Rahi into our local kura and what better way to do that than a fun, festive sports day.

Te Kura Rautau Year 7&8 team played with exceptional team-work on the day that you got compliments on the sideline for the maanaki you all showed above the rest. Mauri Ora to our CPS MANA Yr 7&8 team. You played hard but played humble all day -  
Ngaa mihi nui tamariki maa!
