3<sup>rd</sup> November 2020

Kia ora e te whanau,

Congratulations to all the Mini-ball teams. All of our school teams are in the playoffs for 1<sup>st</sup> to 4<sup>th</sup> placings which is a massive achievement. Semi-finals are this week. Best of luck!

I received a wonderful phone call last week from Mary Tapu - Property Brokers Real Estate. They will donate to our kura \$500 as a result of sales of houses in the region. We really appreciate this support. At this stage, we will need to assess where to best use this fund so our tamariki can benefit.

A team of 17 students represented our kura at the Rangitoto Interschools last Friday. Well done to all students who participated. It is always a challenging event. (The results are posted in this panui)

Congratulations to our students who performed in the Orienteering at Aria last Term. The results have finally come in and it was great to hear that Tyriece and Colenzo performed outstandingly. 3<sup>rd</sup> and 6<sup>th</sup> respectively in the senior age bracket.

We have just heard some great news from Environment Waikato. We put in an application to help fund a greenhouse for our garden area. We were successful and therefore over the summertime we are hopeful a builder will be able to construct the framework and fasten the outside cladding. The greenhouse will be used to propagate and grow vegetable plants for whanau and our community. It will be a great vehicle for our tamariki to learn how to look after a garden and to start their own at home.
