Kia ora e te whanau,

Practice sessions for Athletics have been underway on a daily basis now that we have some more consistent fine weather. We have a track marked out so students get an idea of how to run a circuit. They will also experience running in lanes. Kaiako have been teaching field event skills such as Long Jump, High Jump, Discus and Shot Put. We are hoping for fine weather and want to have our School Athletics sometime over the next week or so.

Thank you to all the students and staff that helped out with the senior student Halloween disco last week. Over \$400 was raised which will go towards a well-earned end of year trip.

School Photo's are coming up soon. Class photo's along-side team photo's will be held over the next few weeks. Envelopes you're your child's details will be sent out. If you wish to have family photo's, please fill in the details and return these to kura along with the money. The suppliers will not make any allowances on these. Please maintain a high standard of keeping your uniforms nice and clean.

Next week we will be busier than usual with Otewa kura coming to Te Kura Rautau next Tuesday morning. They will be with us for approx. an hour or so. The visit is mainly to see how our tamariki perform Kapa Haka. Although we have not had a major focus on Kapa Haka for the normal festivals we participate in, we have had our tamariki prepare for some of the other events to tautoko major occasions such as in Wellington. We know our tamariki will bring their 'A' Game.
