## PĀANUI

Te Wahanga tua tahi mo te wiki tuawha  
Tokohia ngā tamariki: 63

31<sup>st</sup> October 2023

Kia ora e te whanau,

Well done to the teams that competed in the Ki o Rahi Tournament last Friday at Piopio College. The Year 5-6 team won their age group for the day which is a fantastic achievement. The Year 7-8 team had some exciting games with some players really standing out with their leadership and sportsmanship qualities. Well done to you all.

There will be more details in the Sports Paanui.

With the revised curriculum starting to take shape with the Ministry of Education, it is now up to each kura to start the conversation of consulting with our communities as we think about our next Strategic Plan for 2024. We asked our whaanau last year and want to know if we have delivered some or most of those things. One of those areas was looking at long term career pathways and opportunities. There were sessions and trips earlier in the year where our Yr 5-8 students were involved in vocational or employment opportunities. We are hopeful of an expo of some sort for next year where businesses can come together to help encourage and support decisions our tamariki make with their future job securities. Let us know what you would like the kura to do moving forward.

Our attendance rate over the past week dropped below our target with a high number of absences due to illness and tangihanga. Thank you for communicating with us here at the kura and keeping us up to date.

\*Please note a couple of changes to the calendar with Mau Raakau on Mon 6<sup>th</sup> & Miniball Tourney on the 10 with our kura Athletics 13<sup>th</sup>.

Heartlands was established in 2001 by the Government to improve the delivery and accessibility of government and non-government services in rural communities and ensure whānau residing in rural and isolated areas have equitable access to the services they need. This can be especially important for families and whānau who are new to the community. (A poster is attached to this paanui – we will include this poster in the next few newsletters so whaanau can get familiar with the details and info)
